You're so  
excited,  
it's like  
you're  
going to  
explode,  
Junior!

I only troubled you...

I'm sorry for today...

Is he trying to settle down after what happened to him?

In fact, he didn't come to the match at all.

The next day when he got out of being locked up,

As I thought, Sannomaru didn't join the match.

Huh?

Hey, Doumoto...

I'm ashamed to be seen by everybody.

I was the worst today,

週間

Hello!

Has it been a long time?  
Have you been healthy?  
After the 2nd volume, I went on many trips to research the relevant places, so I was very busy. The 3rd volume is about archery, but the 4th volume has Simon's home (Aimori) so I had to research a lot. Like I said before, this manga is going to have country style festivals.

So I have a lot of traditional clothes and traditional customs and even a monk will be surprised if he comes to my house and sees all the research I've been doing. The traditional features in a modern society... I am researching Japan a lot now!

Heh!

This is first time we're in a different class!

Since year 4 in primary school,

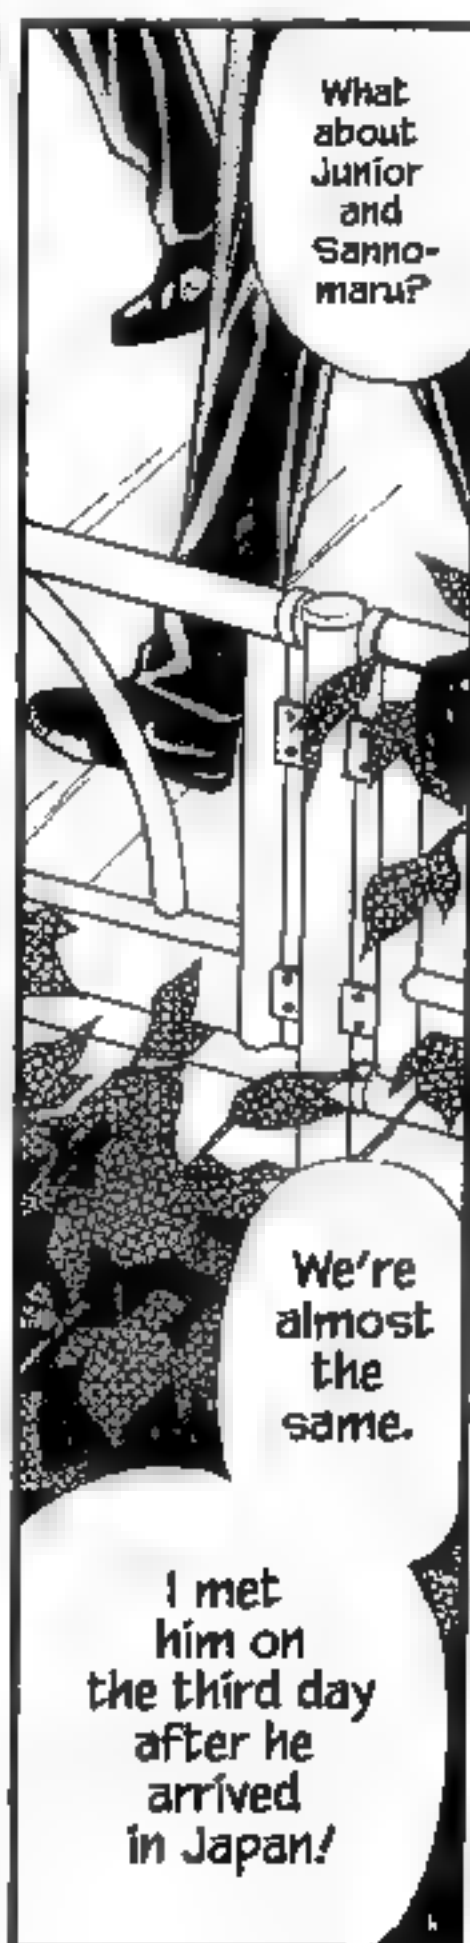

Mm... nothing special!

He was so sure of himself from the beginning...

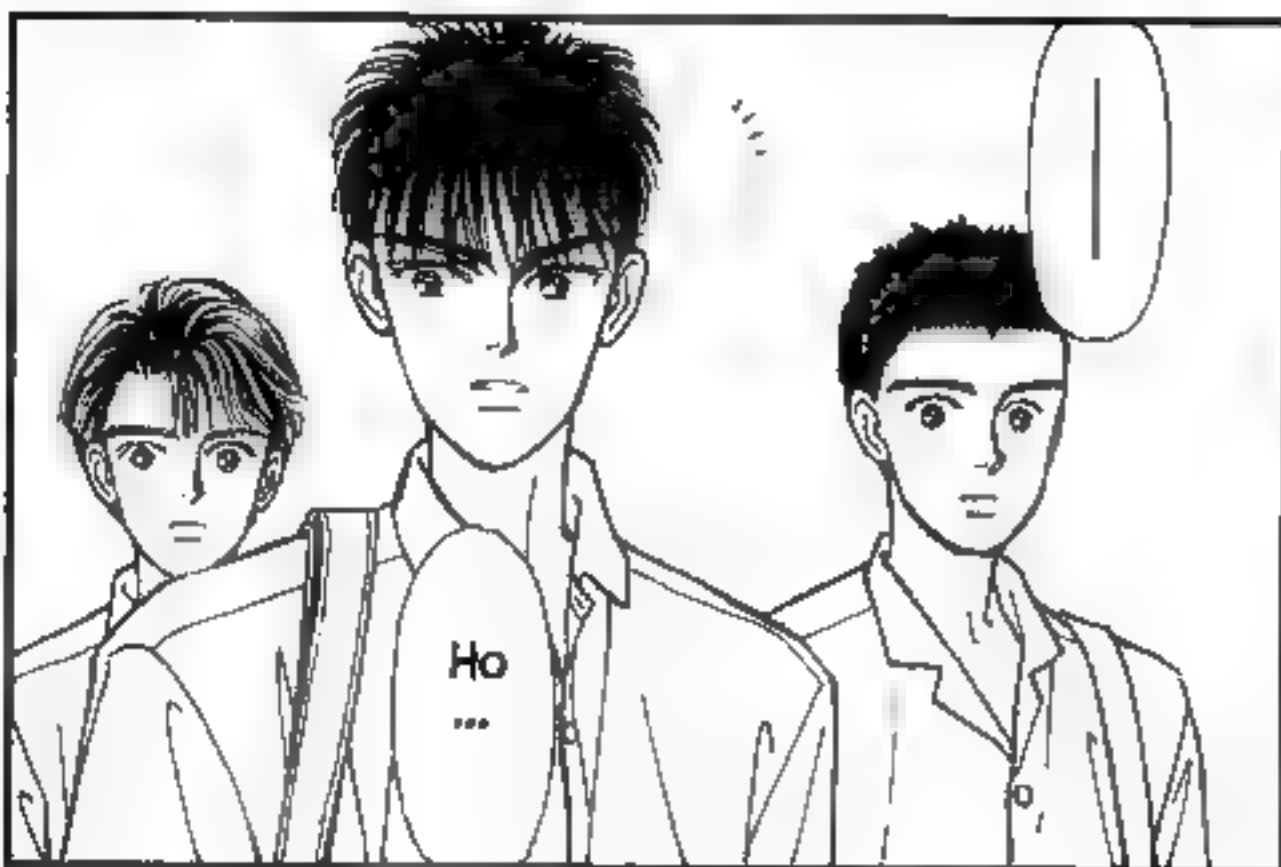

How was Sannomaru? When he was young...

What about Junior and Sannomaru?

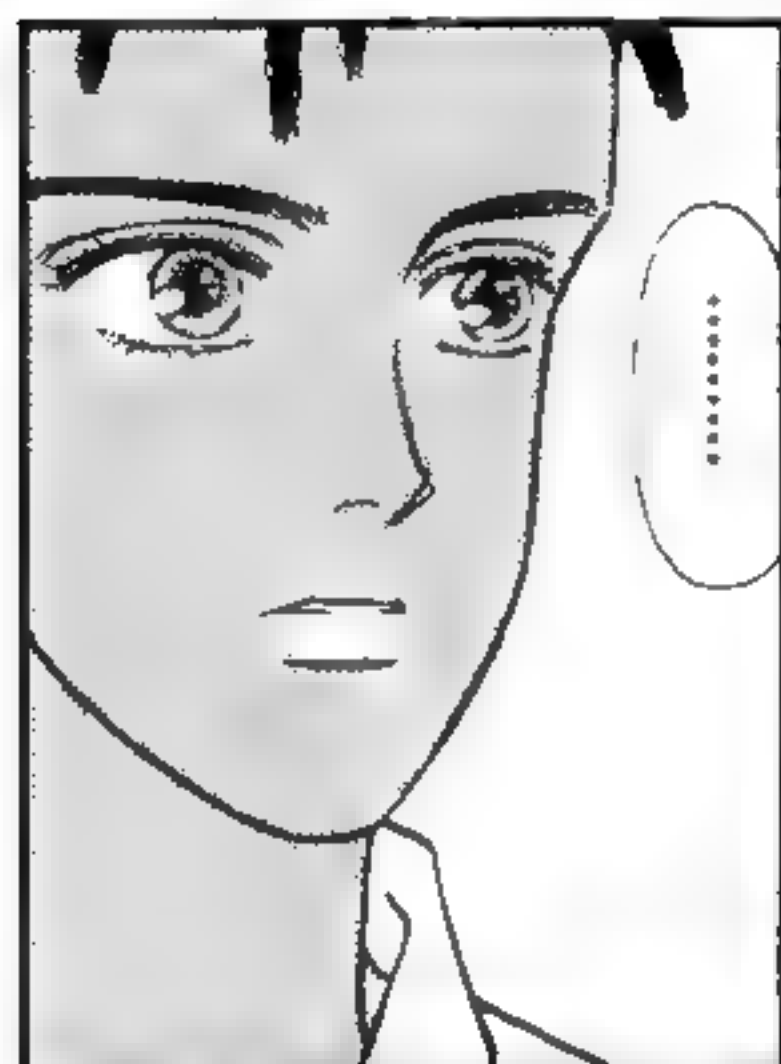

We're almost the same.

I met him on the third day after he arrived in Japan!

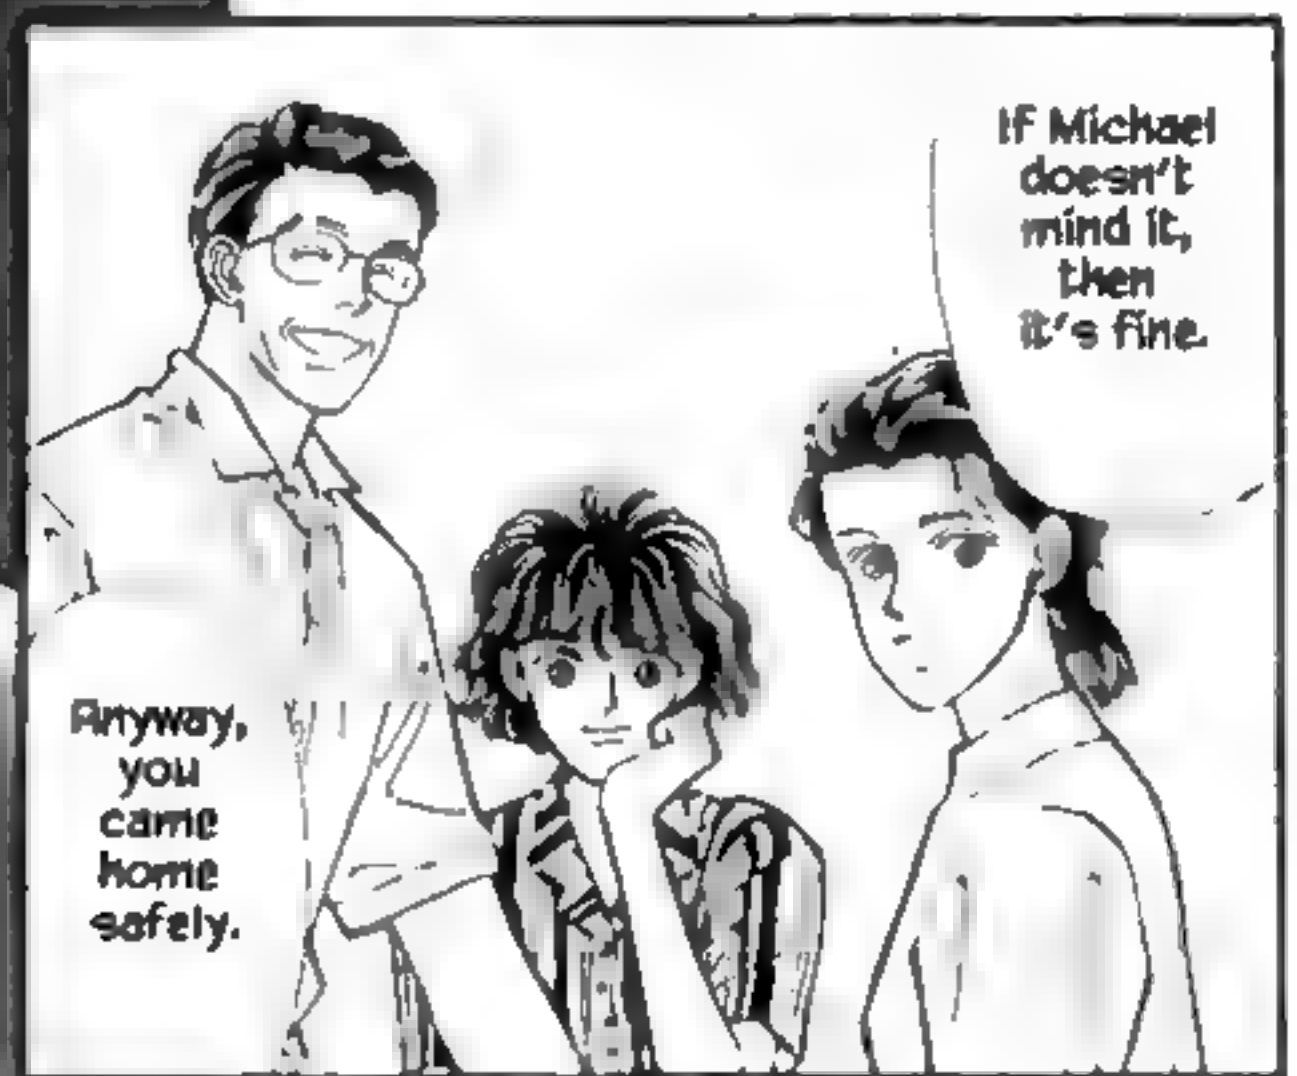

Ho ...

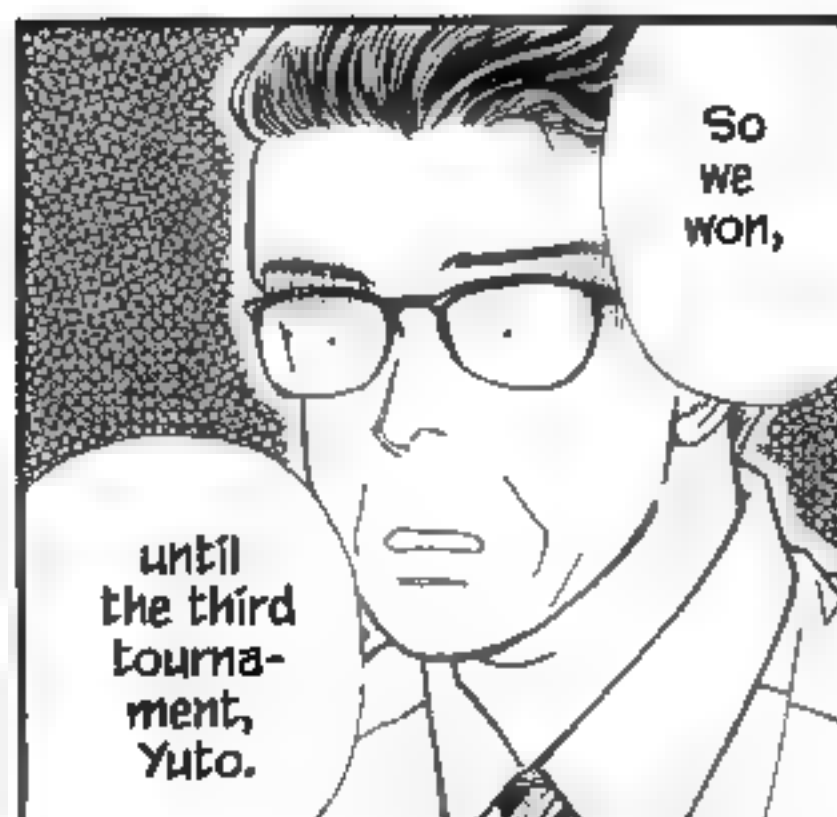

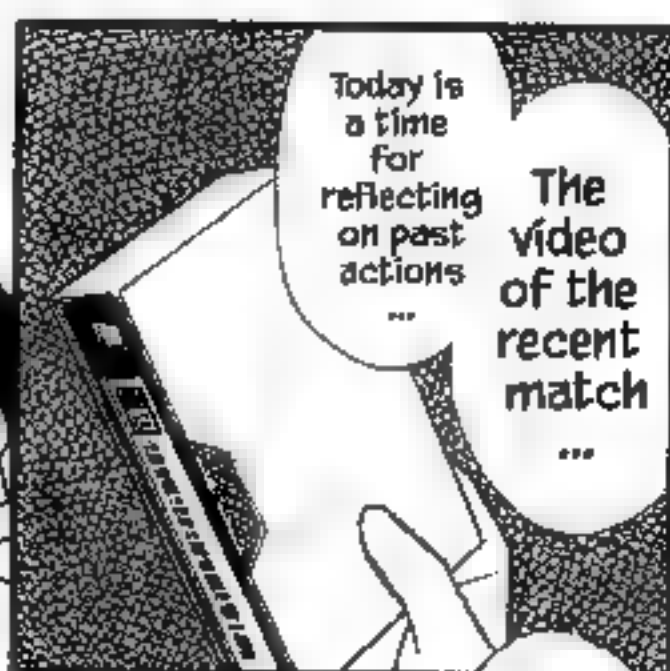

Sfx: Shocked

I want to show it to Sannomaru too!

His third meal today,

It's because Doumoto used to live with his grandfather.

Haha

ははは

Sorry.

Ah yeah ...

Sfx: Angry

うーん

There is a grain of rice stuck on your face.

You must eat every grain! Eat everything!

But ...

Sannomaru-

Hello.

Ah, welcome!

They are going to see me like this.

Doumoto. 185 cm. Forward. Strong in the 1st round.

Even when he looks like that,

Doumoto is sensitive and honest.

He never shows his values to anybody.

Junior calls himself the prince.

Junior. 195 cm. P. G. Point guard.

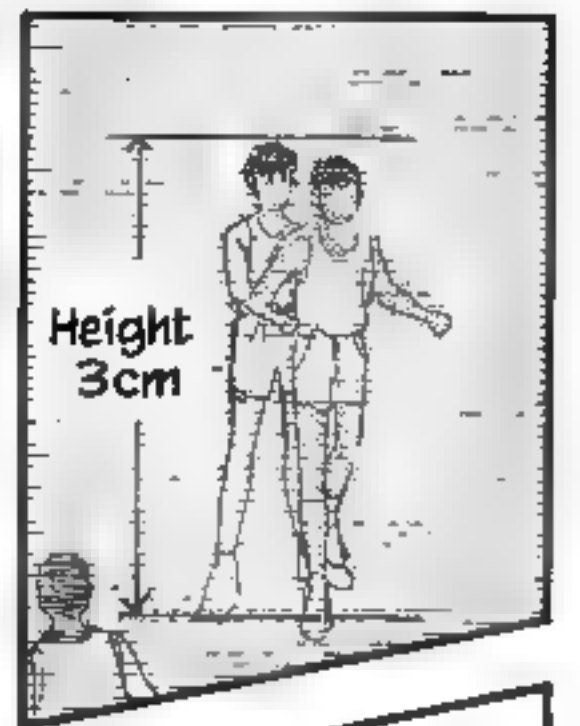

And there is Osawa who supports them.

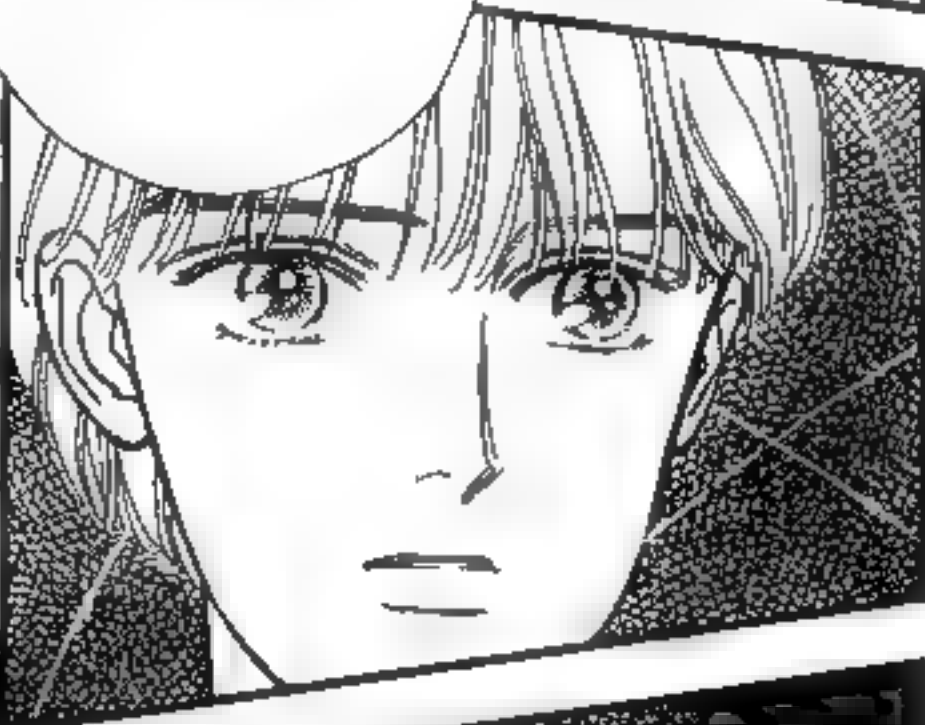

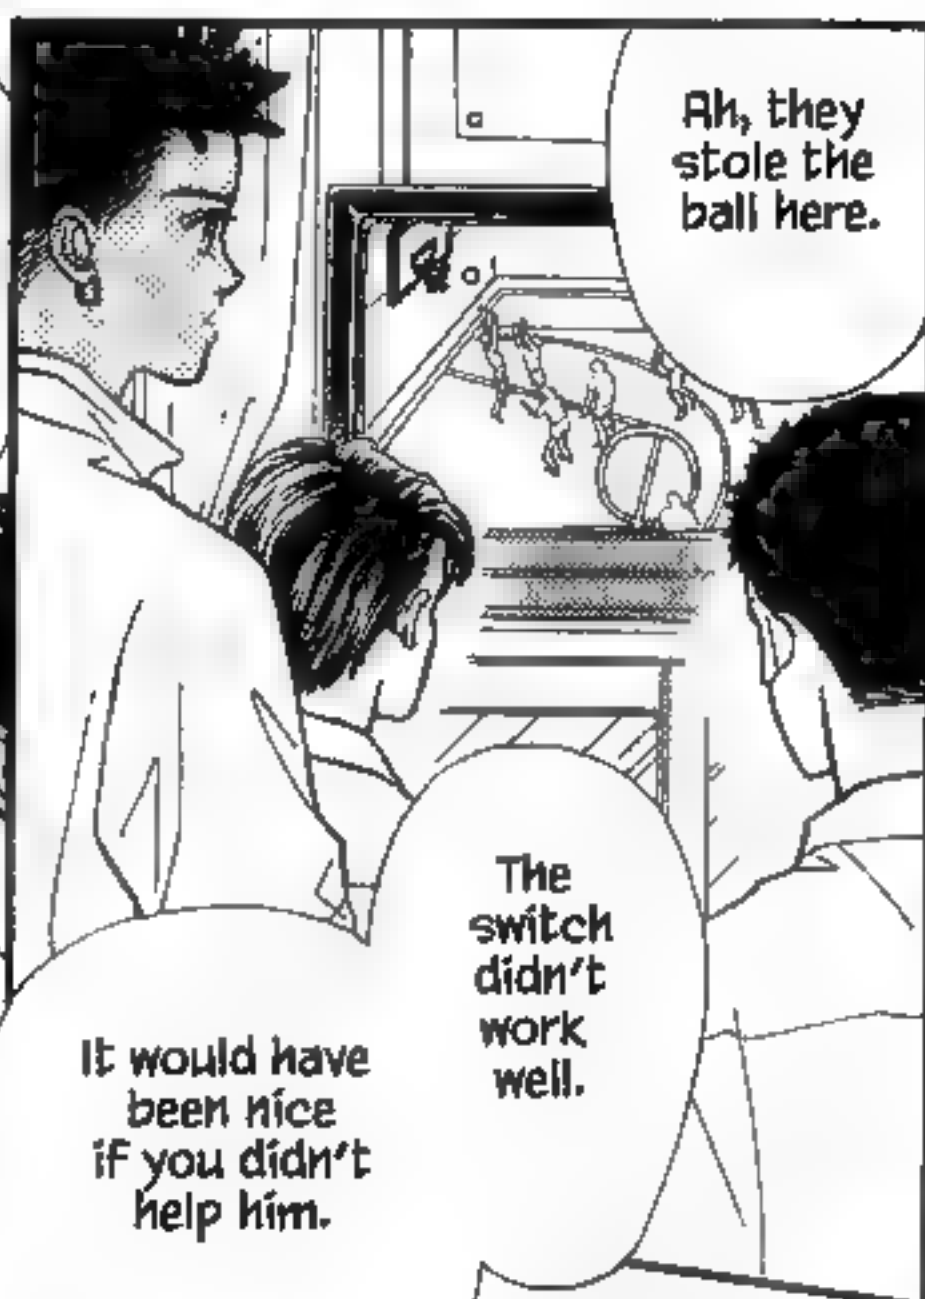

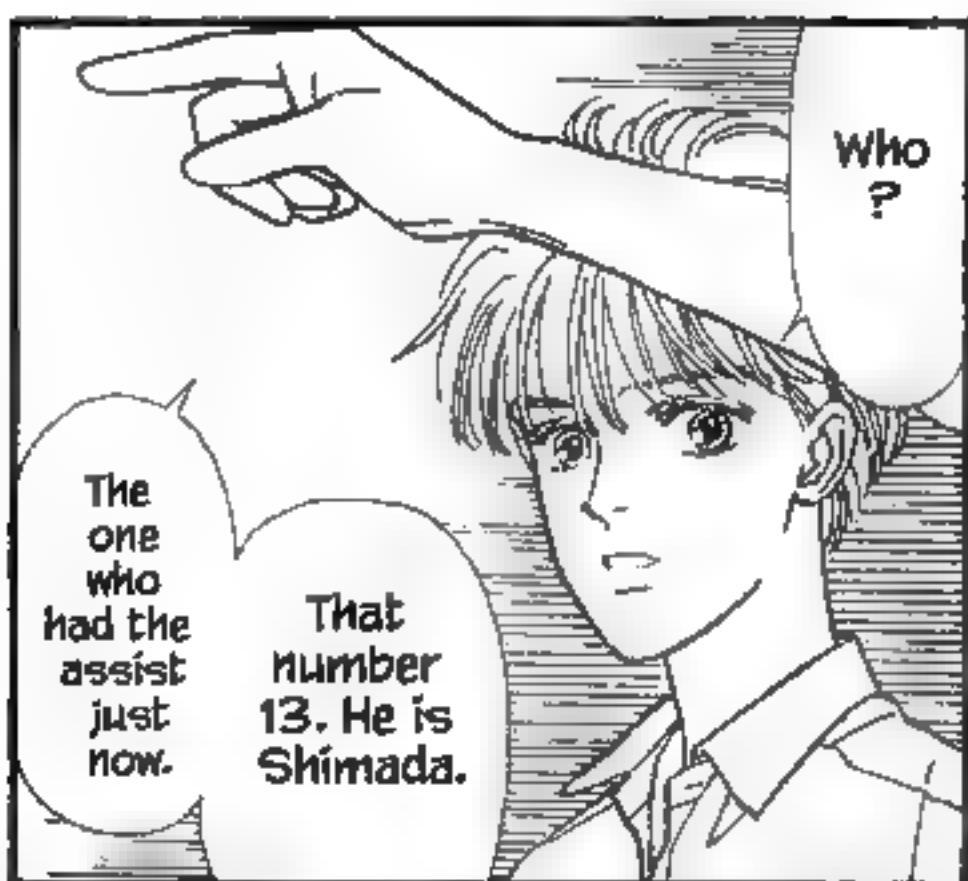

They are doing well.

Osawa. 180 cm. Guard. Point shooter.

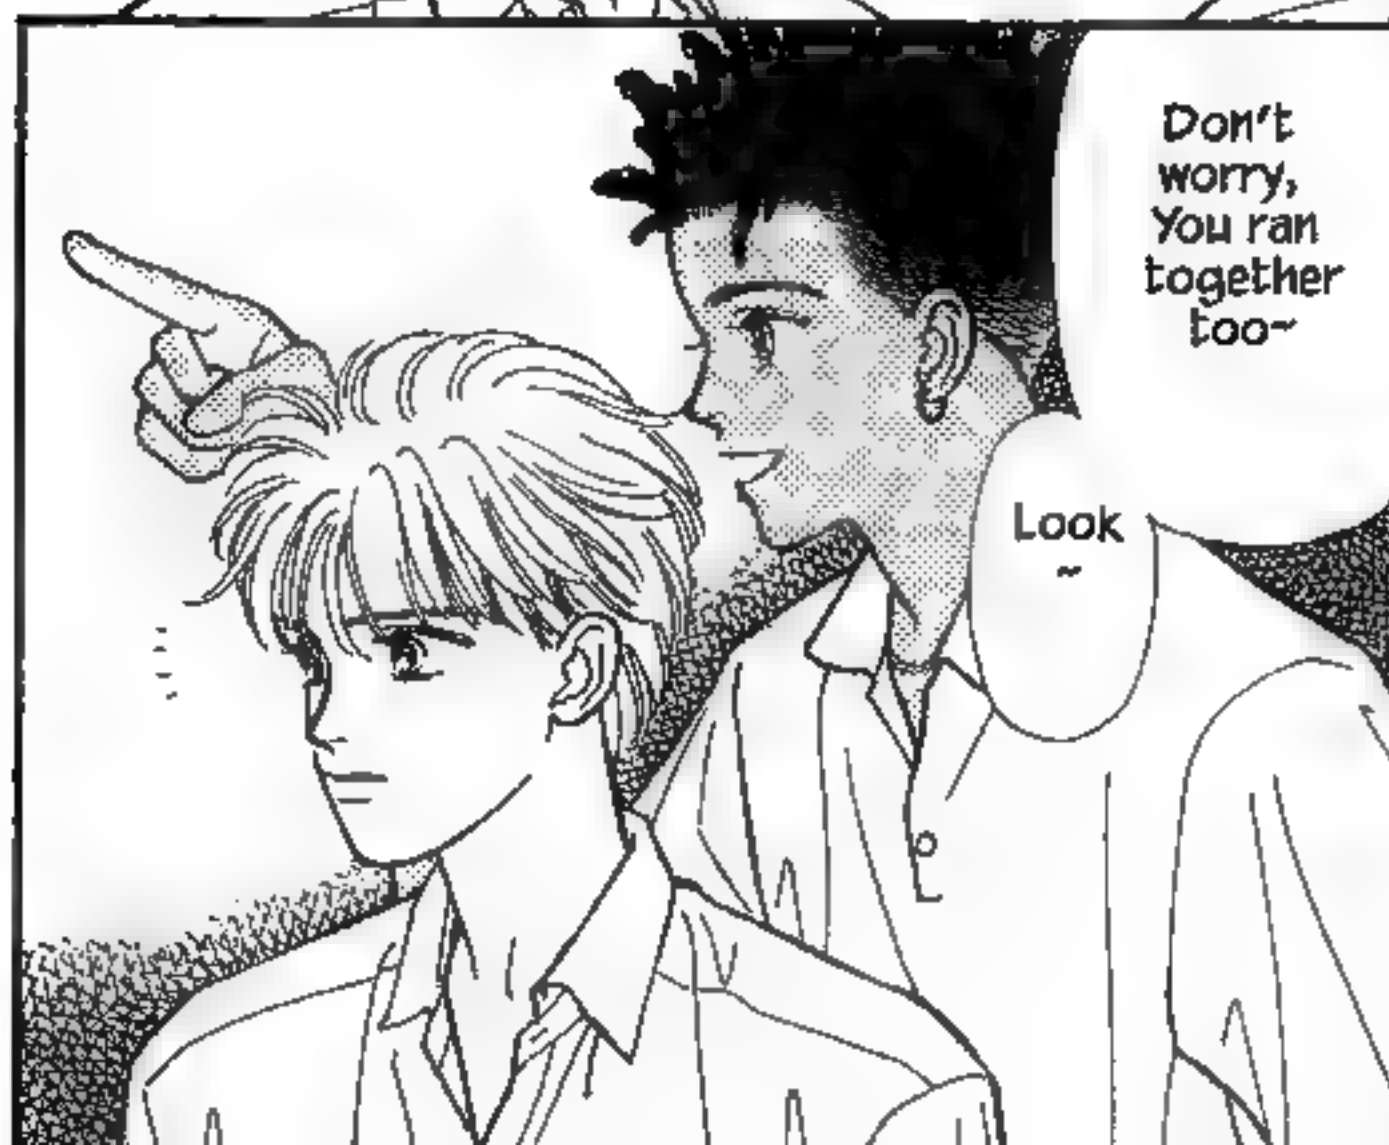

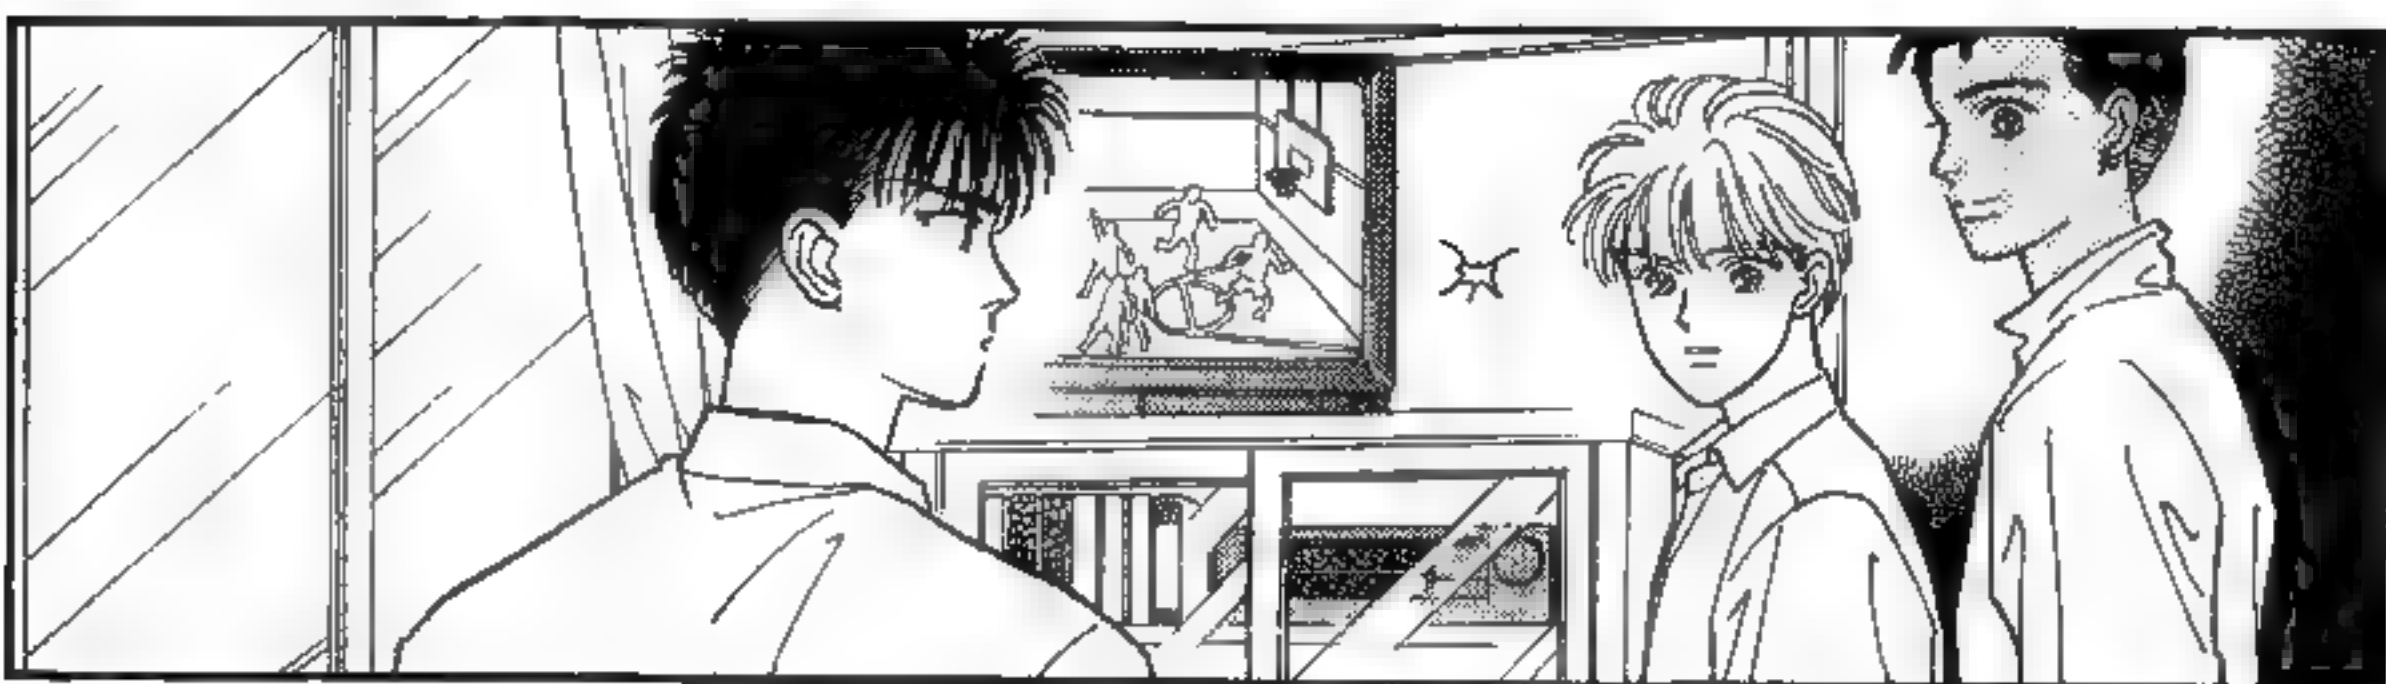

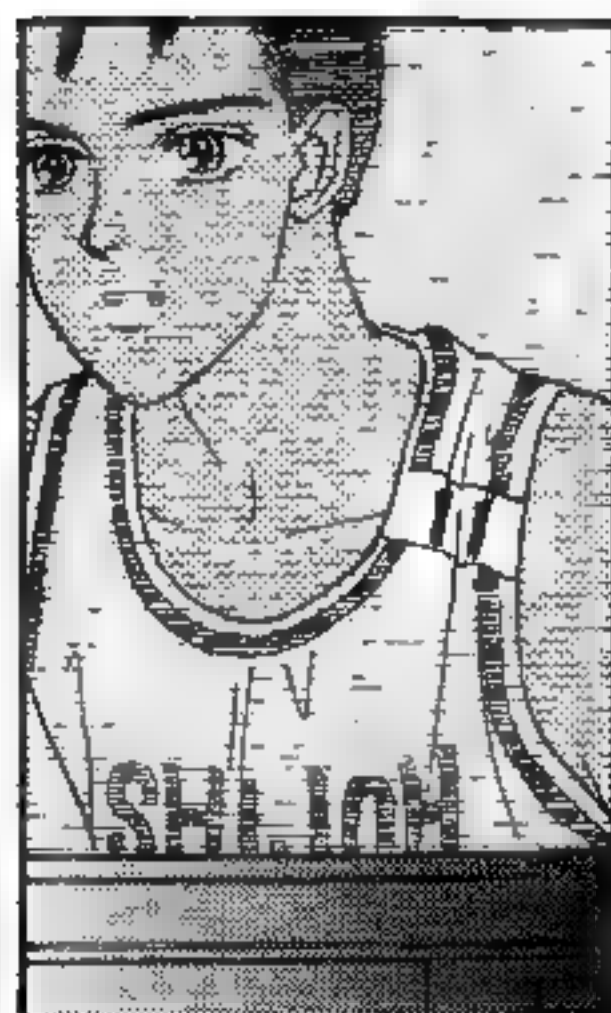

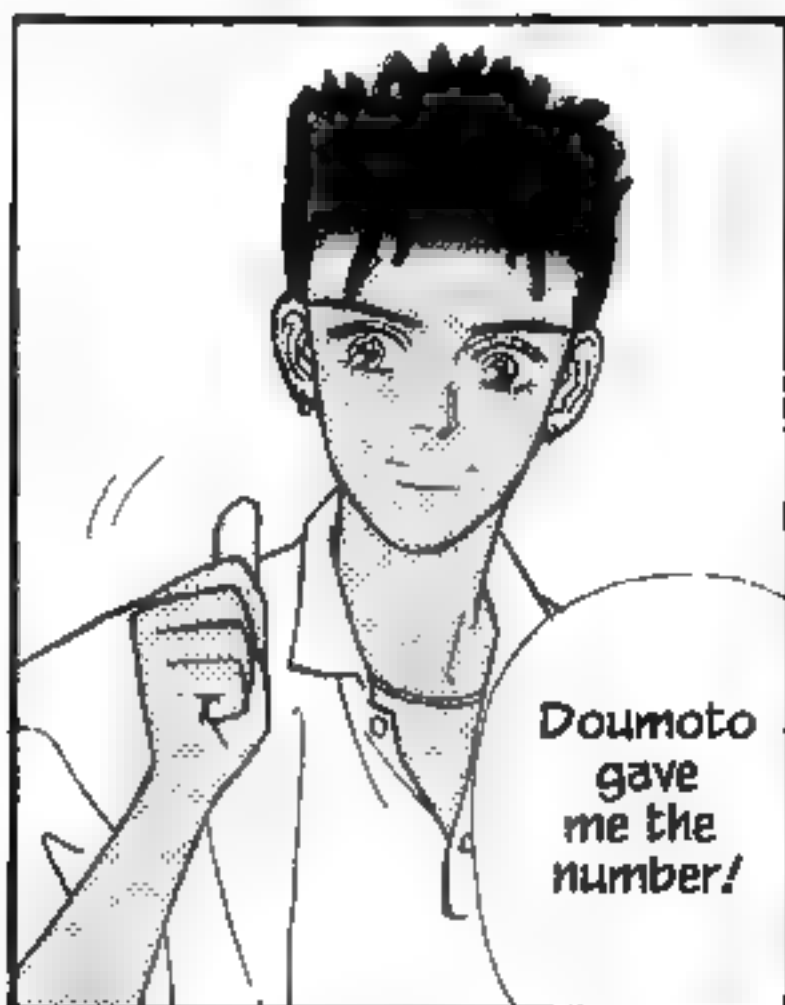

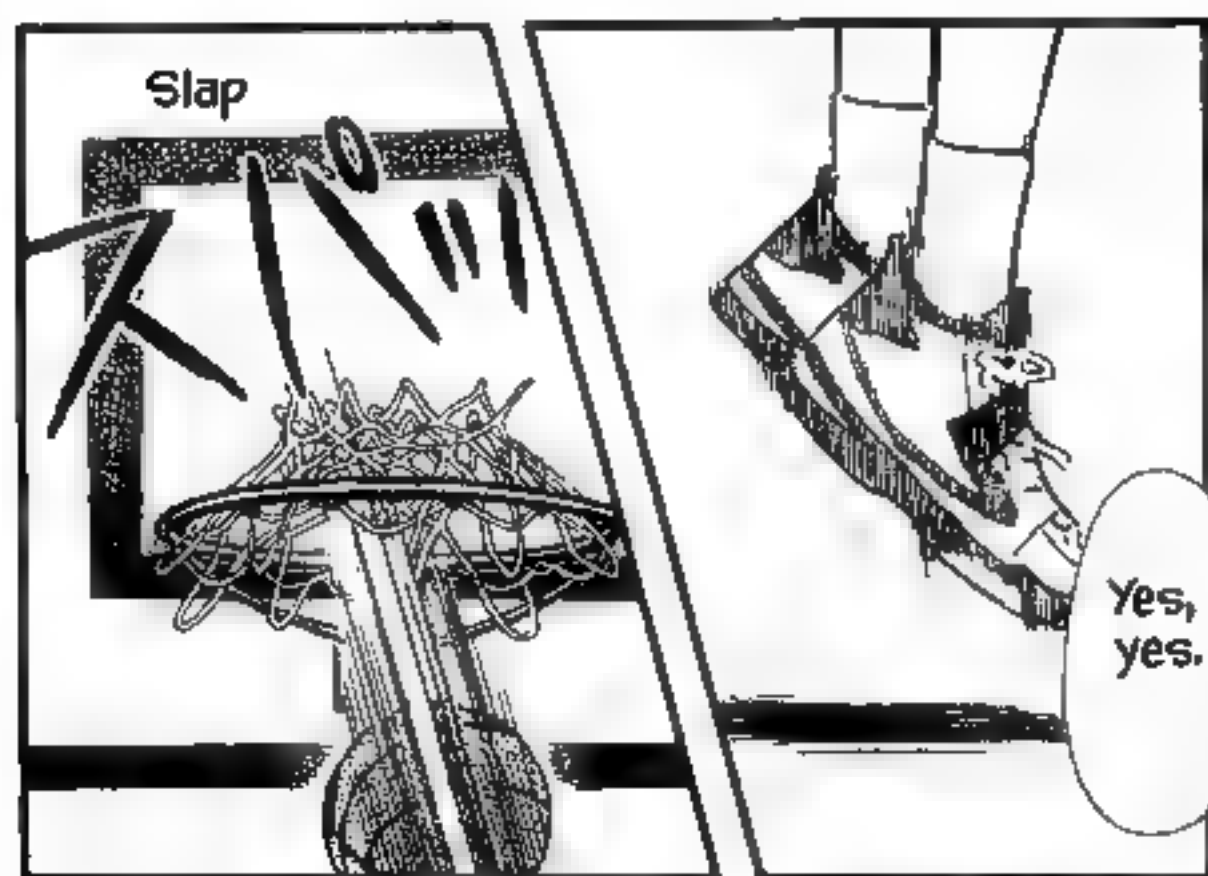

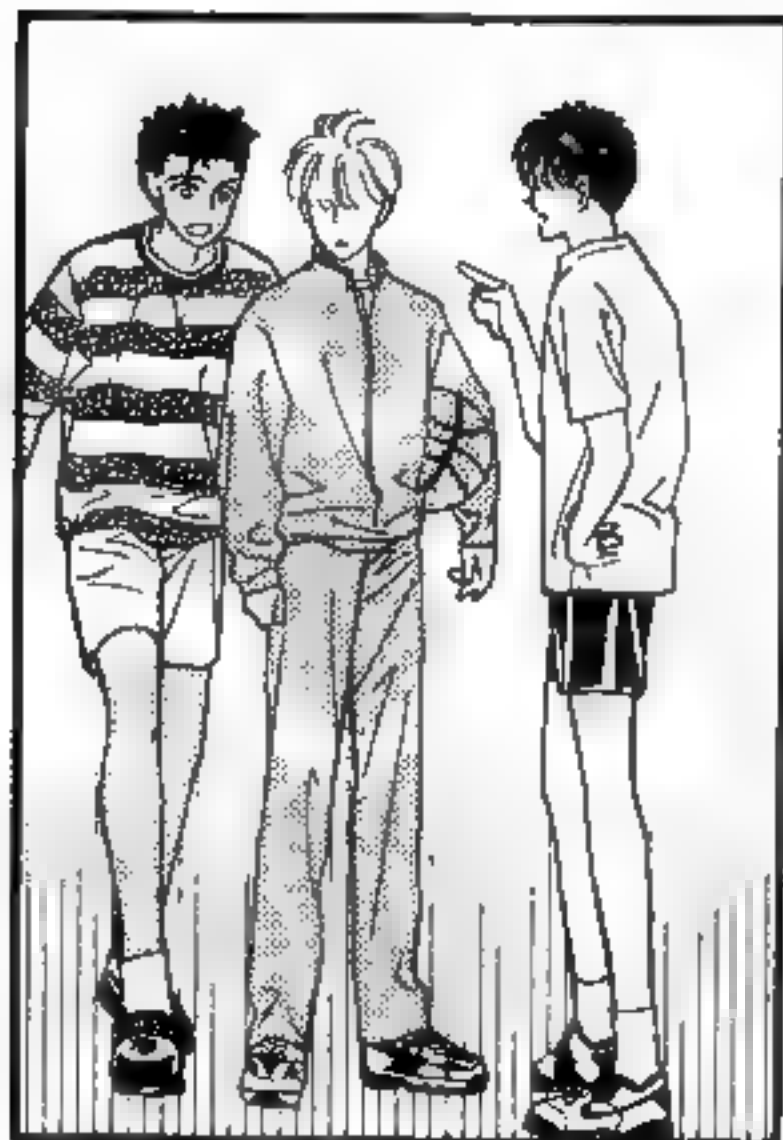

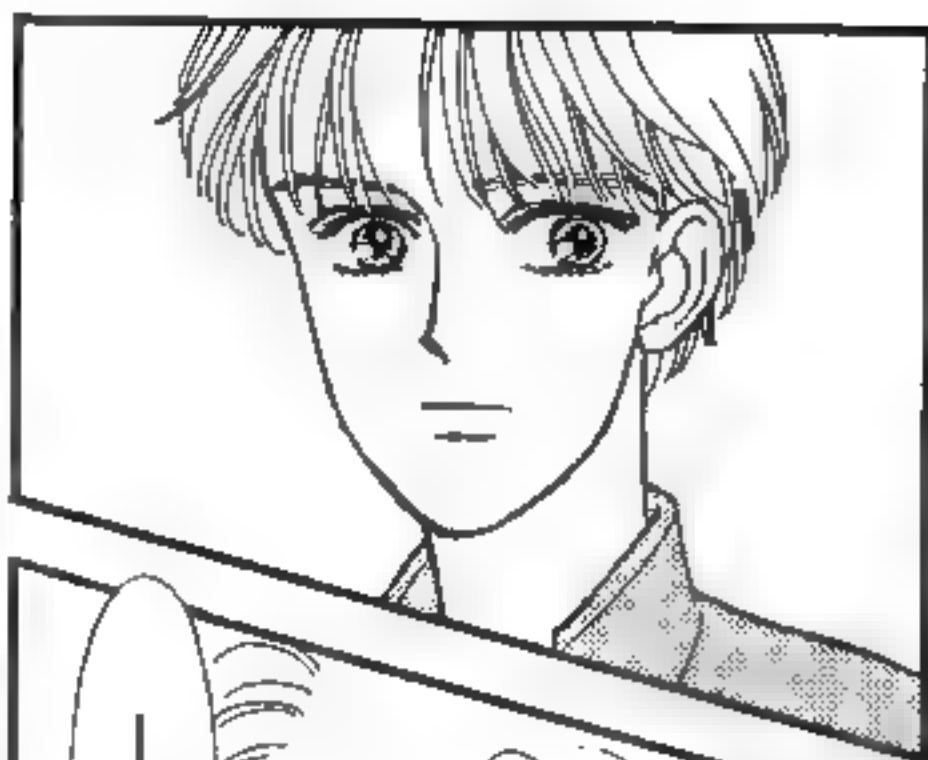

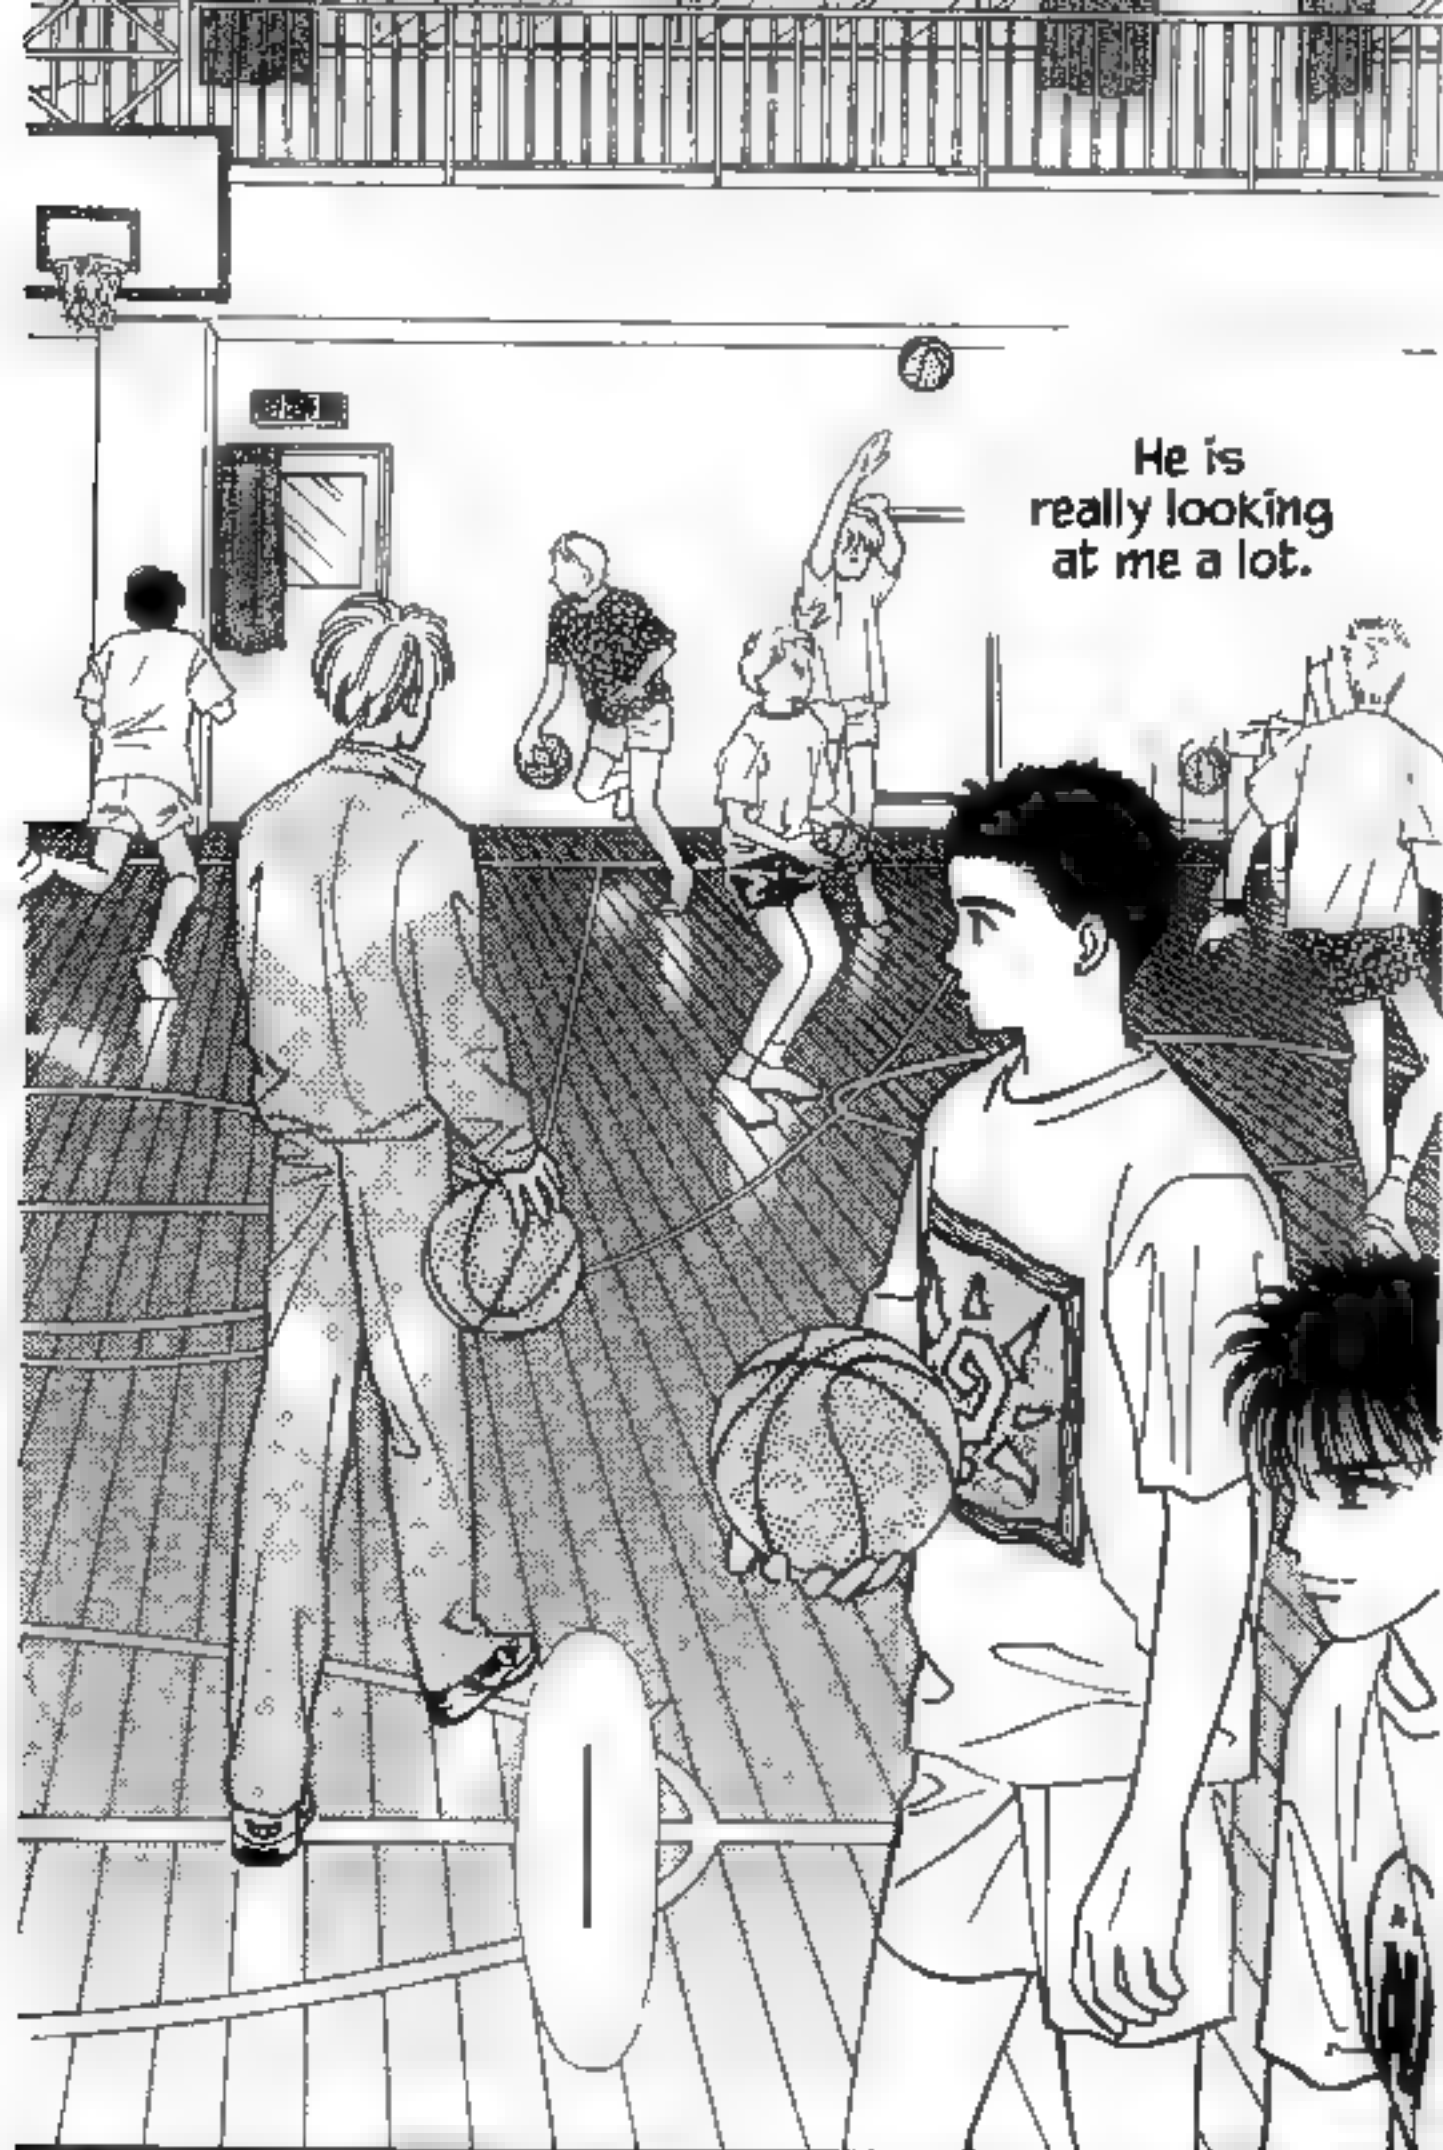

Sfx: Bang, Move

A

HEY.

HE HAS  
A 'POWER'

HEY.

LEAVE  
ME.

Don't worry. It will go down when you sweat.

This... what should I do?

I'm sorry for all this...

Don't worry and go to sleep!

On the front garden and back hill~

My baby~

Shall I sing you a lullaby?

~Good night~

Mike.

?

Hey... hey...! Calm down.

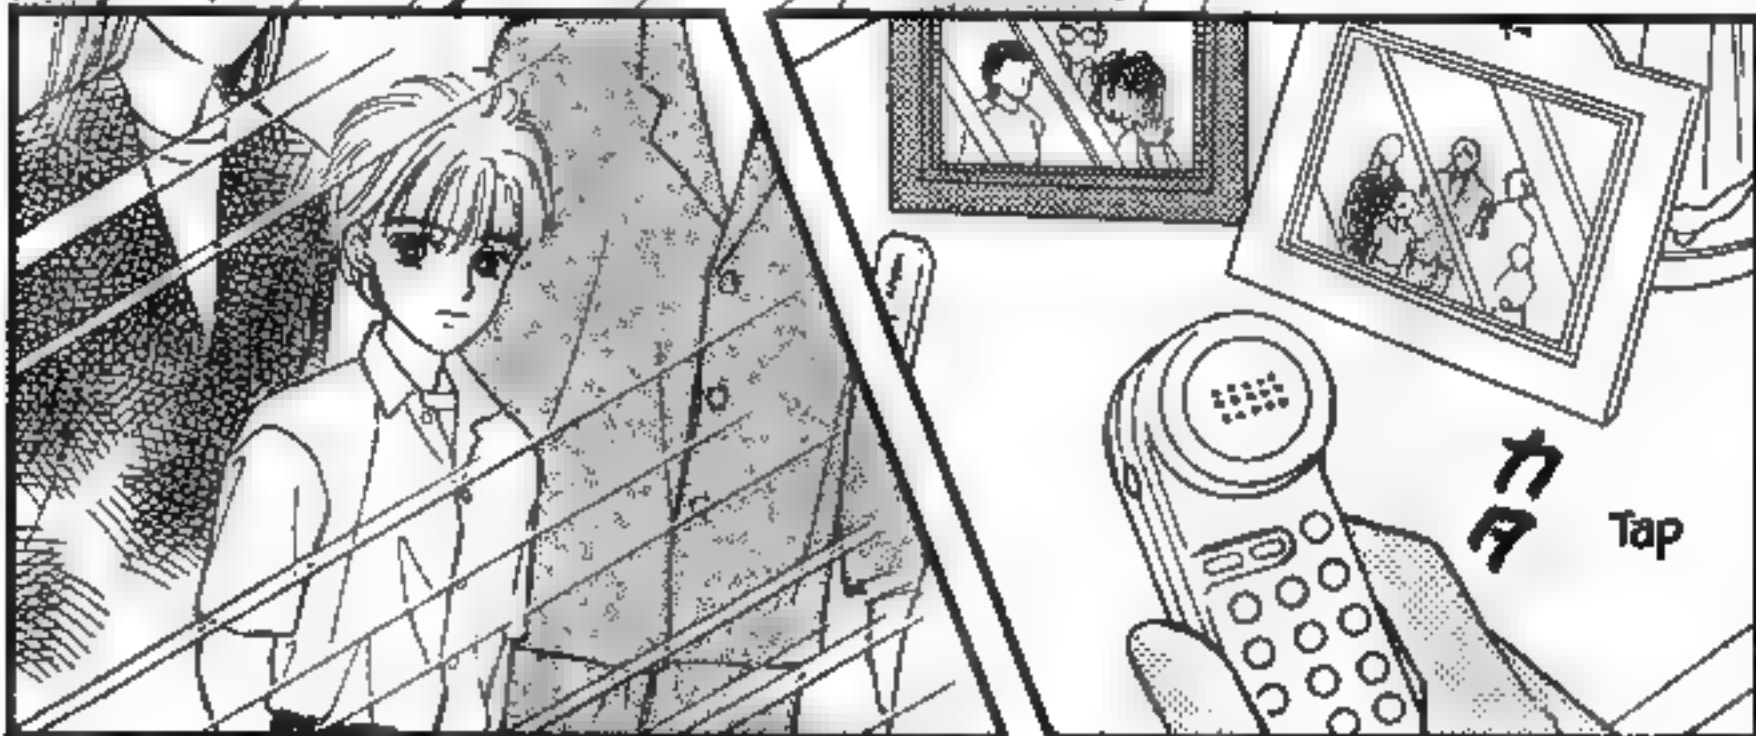

Sew up his mouth right now!!

Acting as many people.

Lalala.

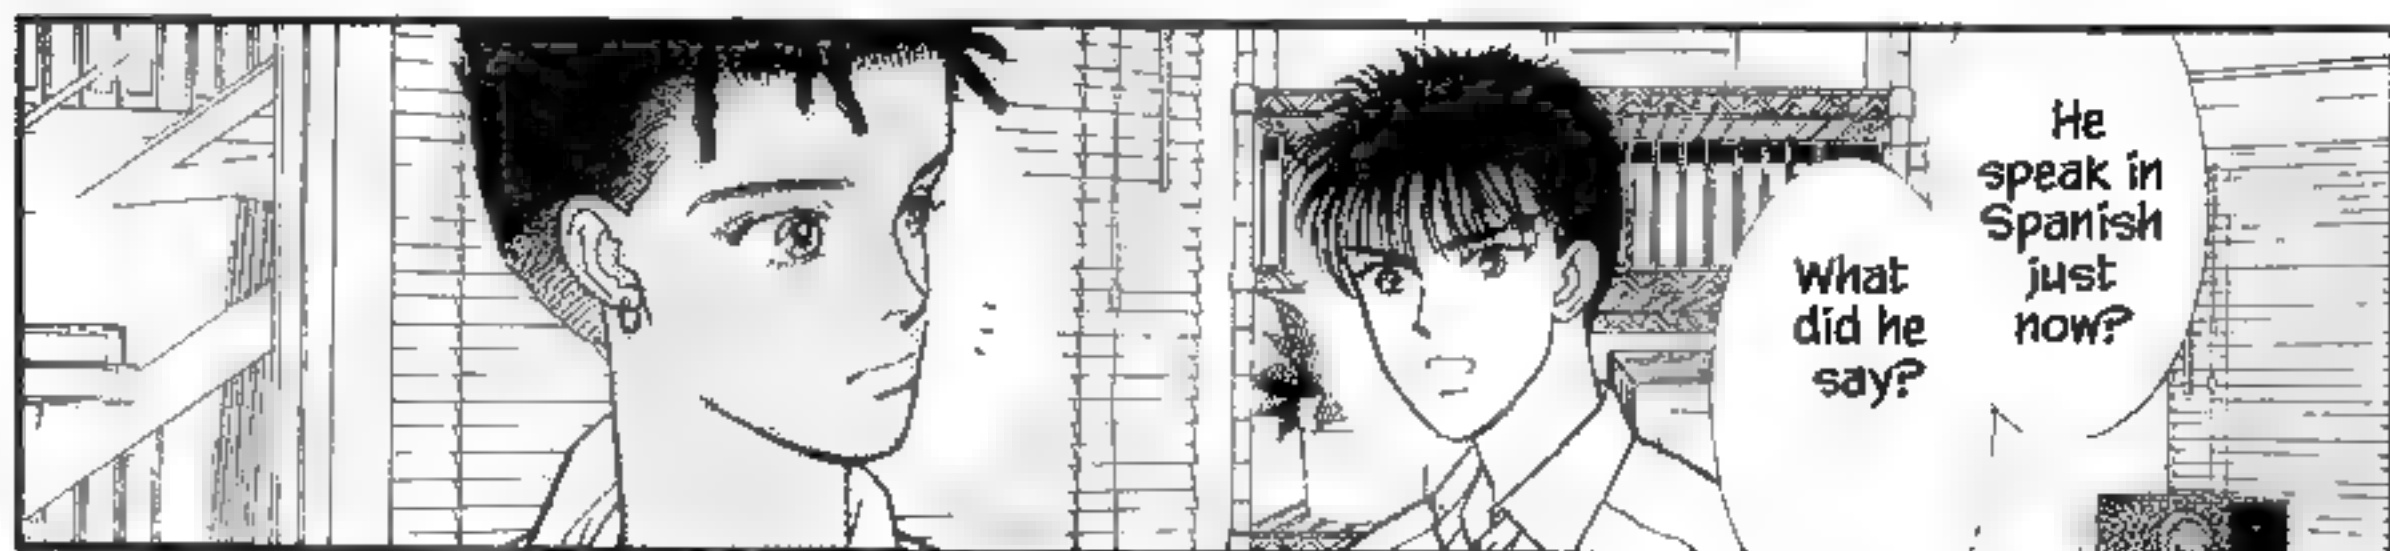

Sfx:  
Bang

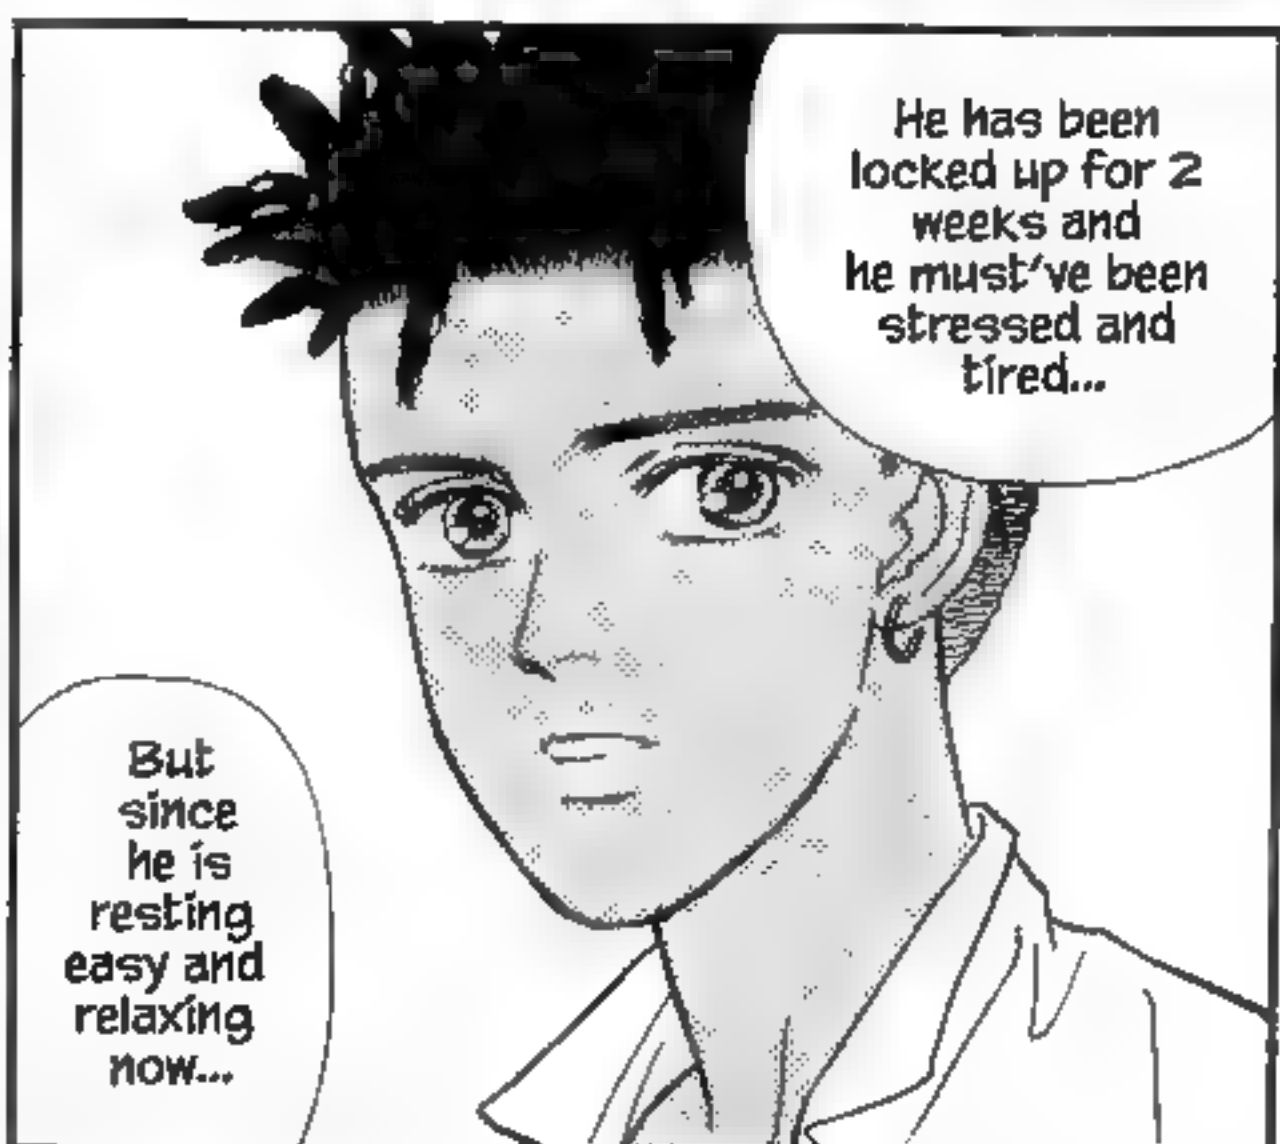

He must be tired.

That is,

Why is this happening ...

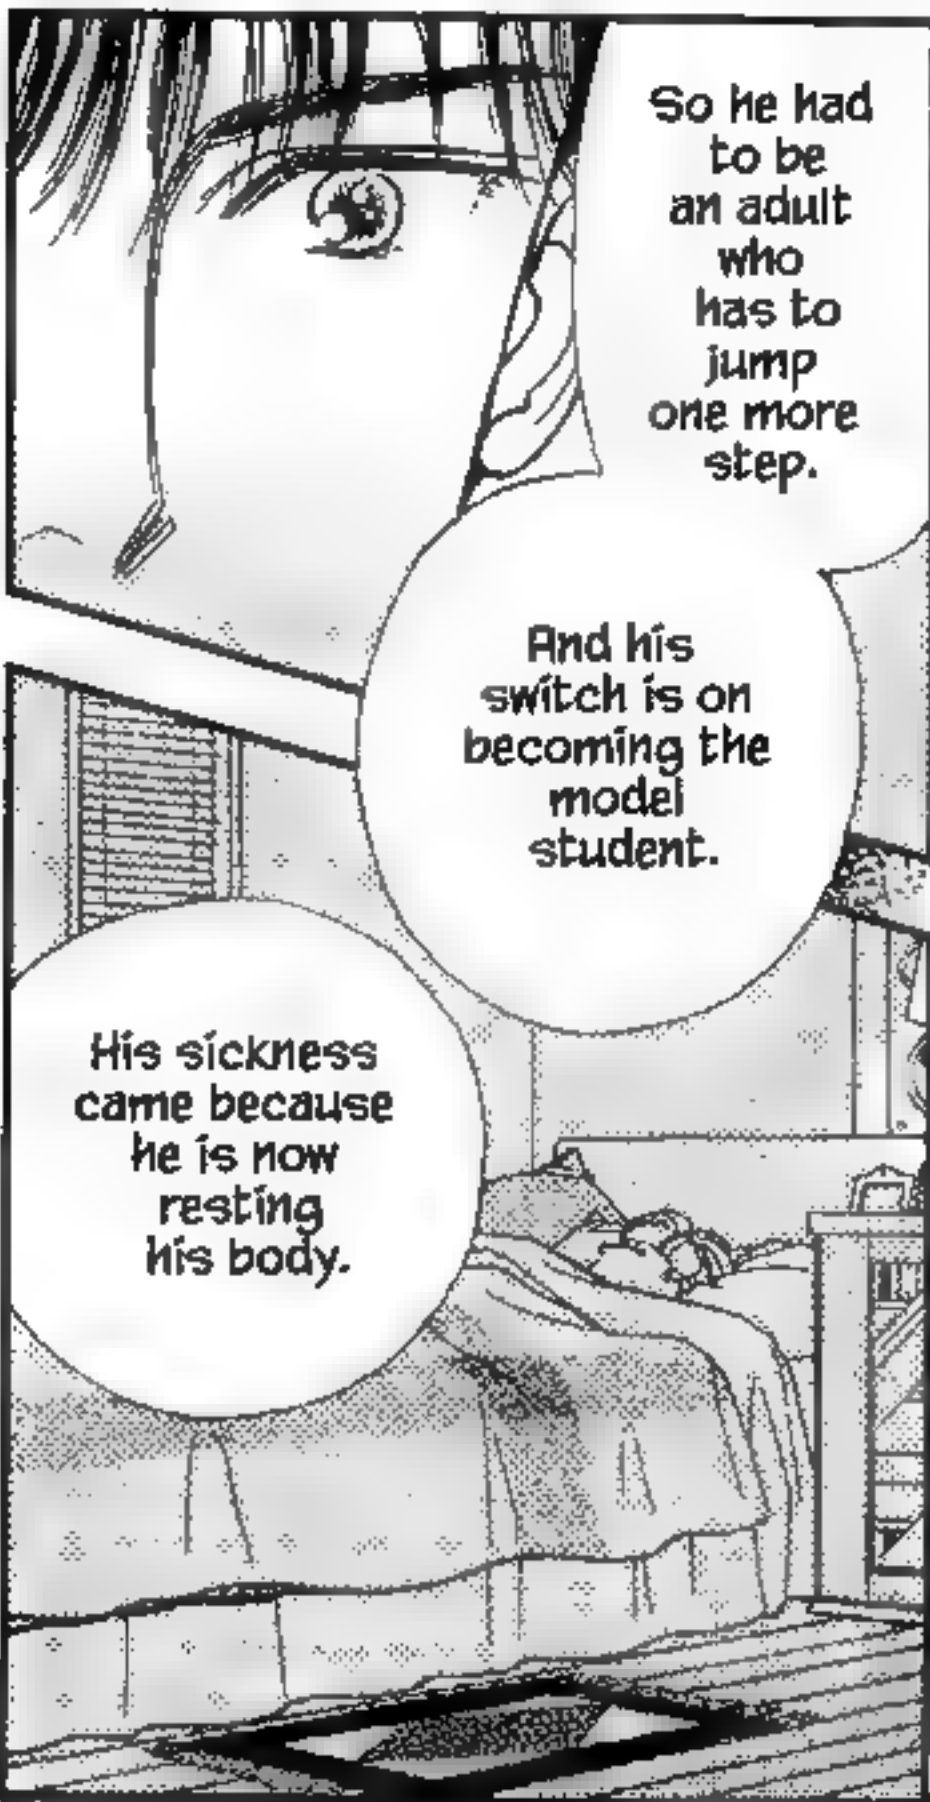

.....

He has been locked up for 2 weeks and he must've been stressed and tired...

But since he is resting easy and relaxing now...

So he had to be an adult who has to jump one more step.

And his switch is on becoming the model student.

His sickness came because he is now resting his body.

The mother language for a human being is decided when they are 8 - 9 years old.

Like when some time passed by after he came to Japan?

Yeah, Probably.

When he learned his basic skills,

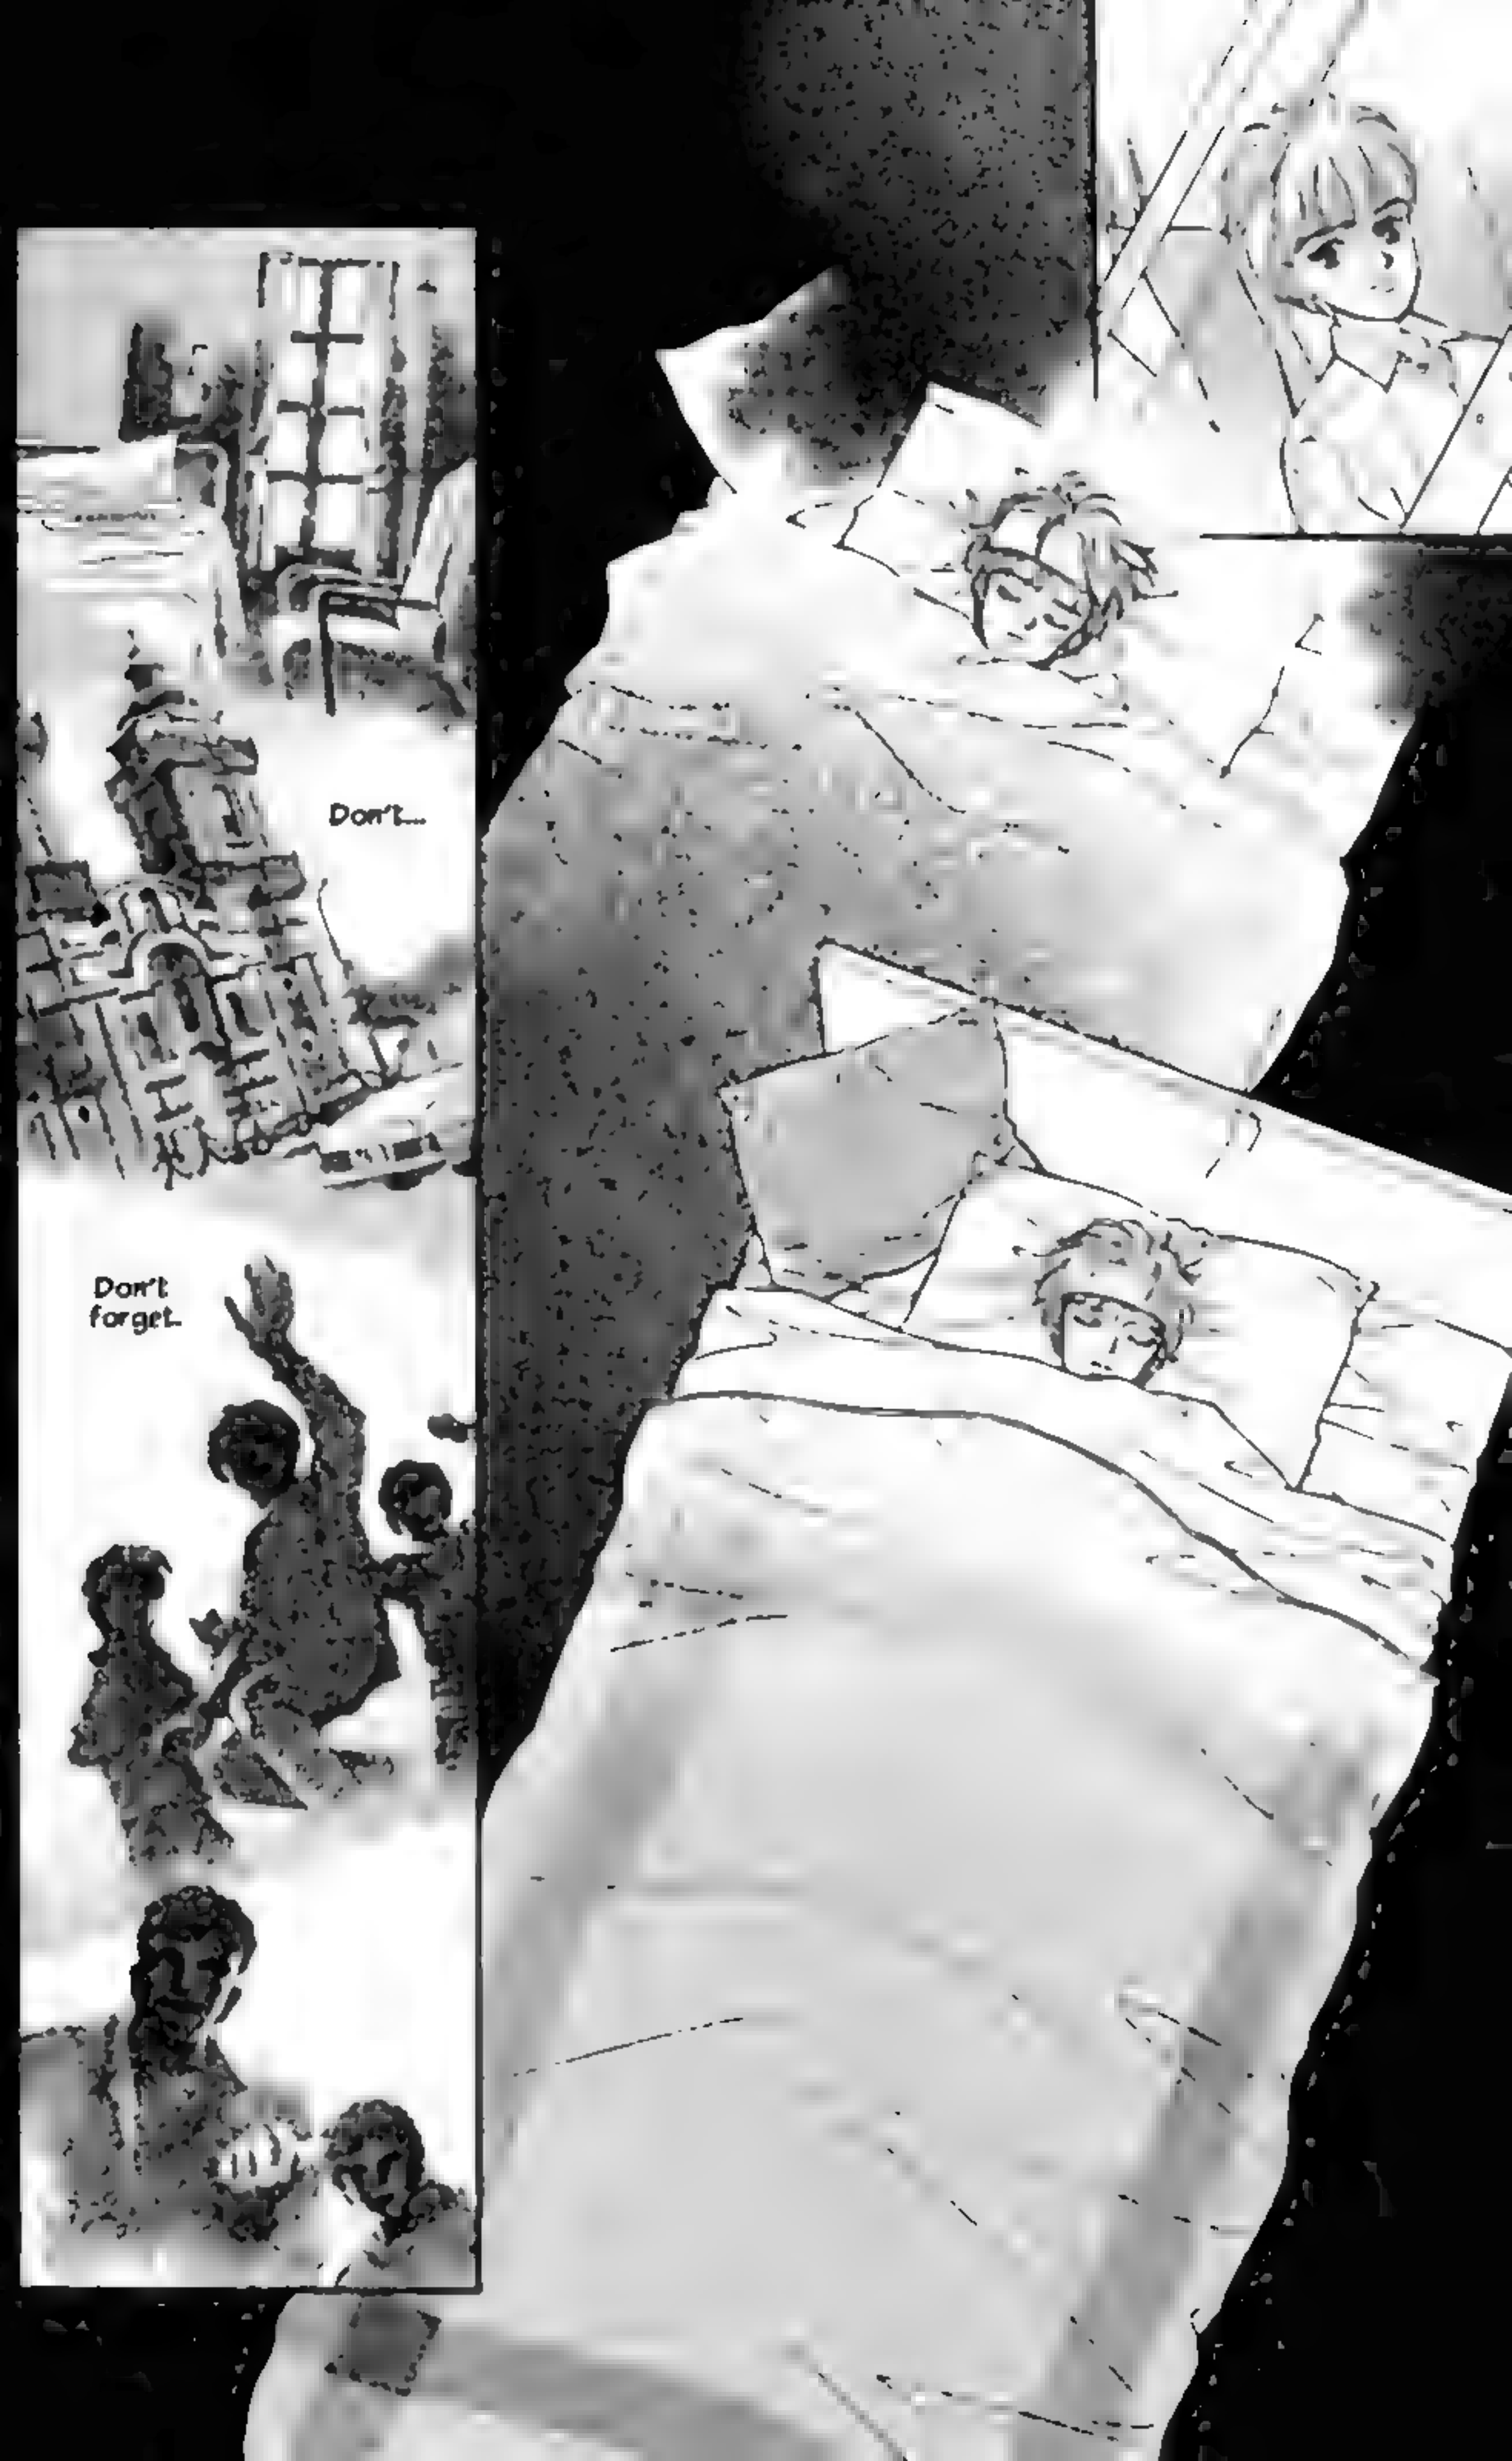

He got cut out from that place,

# NATURAL 3

Don't...

Don't  
forget.

Sfx: Move

Yeah,

Forget  
now.

Who...?

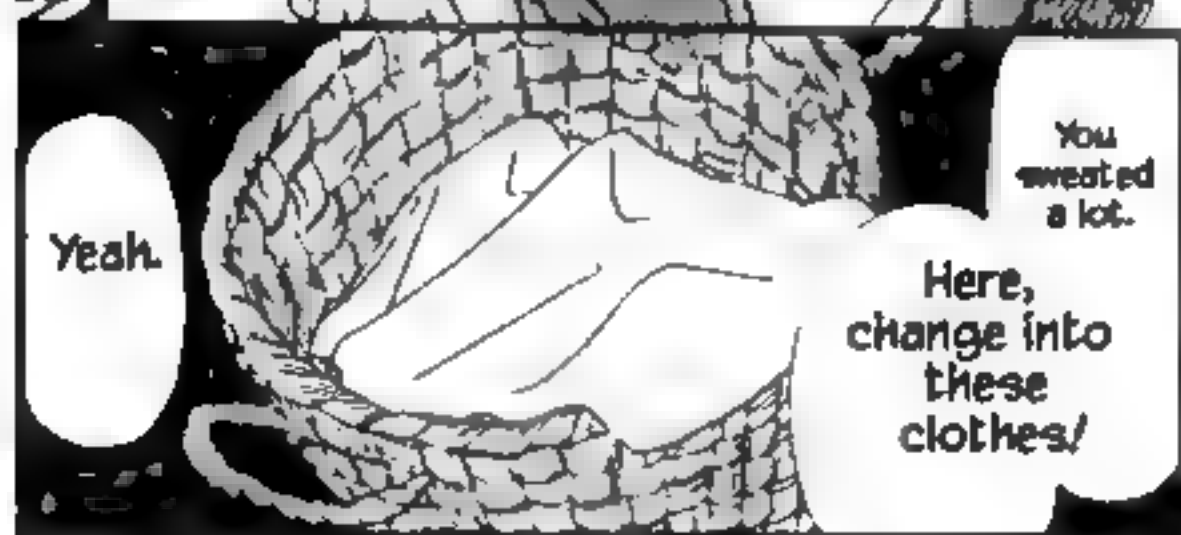

Sleep  
well.

So many diffi-  
culties  
came to pass...

Hi, I am sorry, but our translator made a mistake  
when she was translating a character's name.  
The name of character Tomoto should be Doumoto.  
The name Tomoto will be changed to Doumoto from now.  
I am very sorry about this.

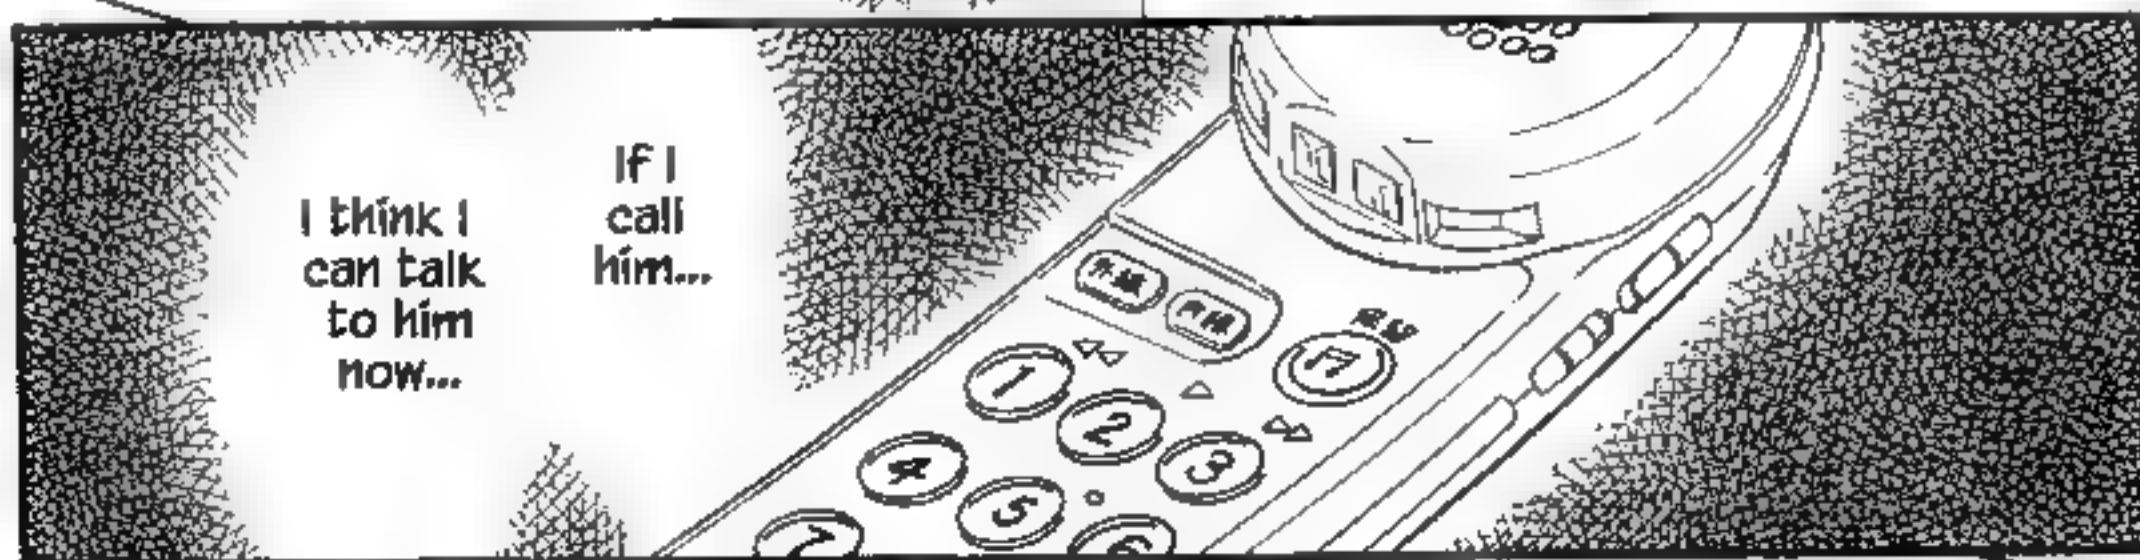

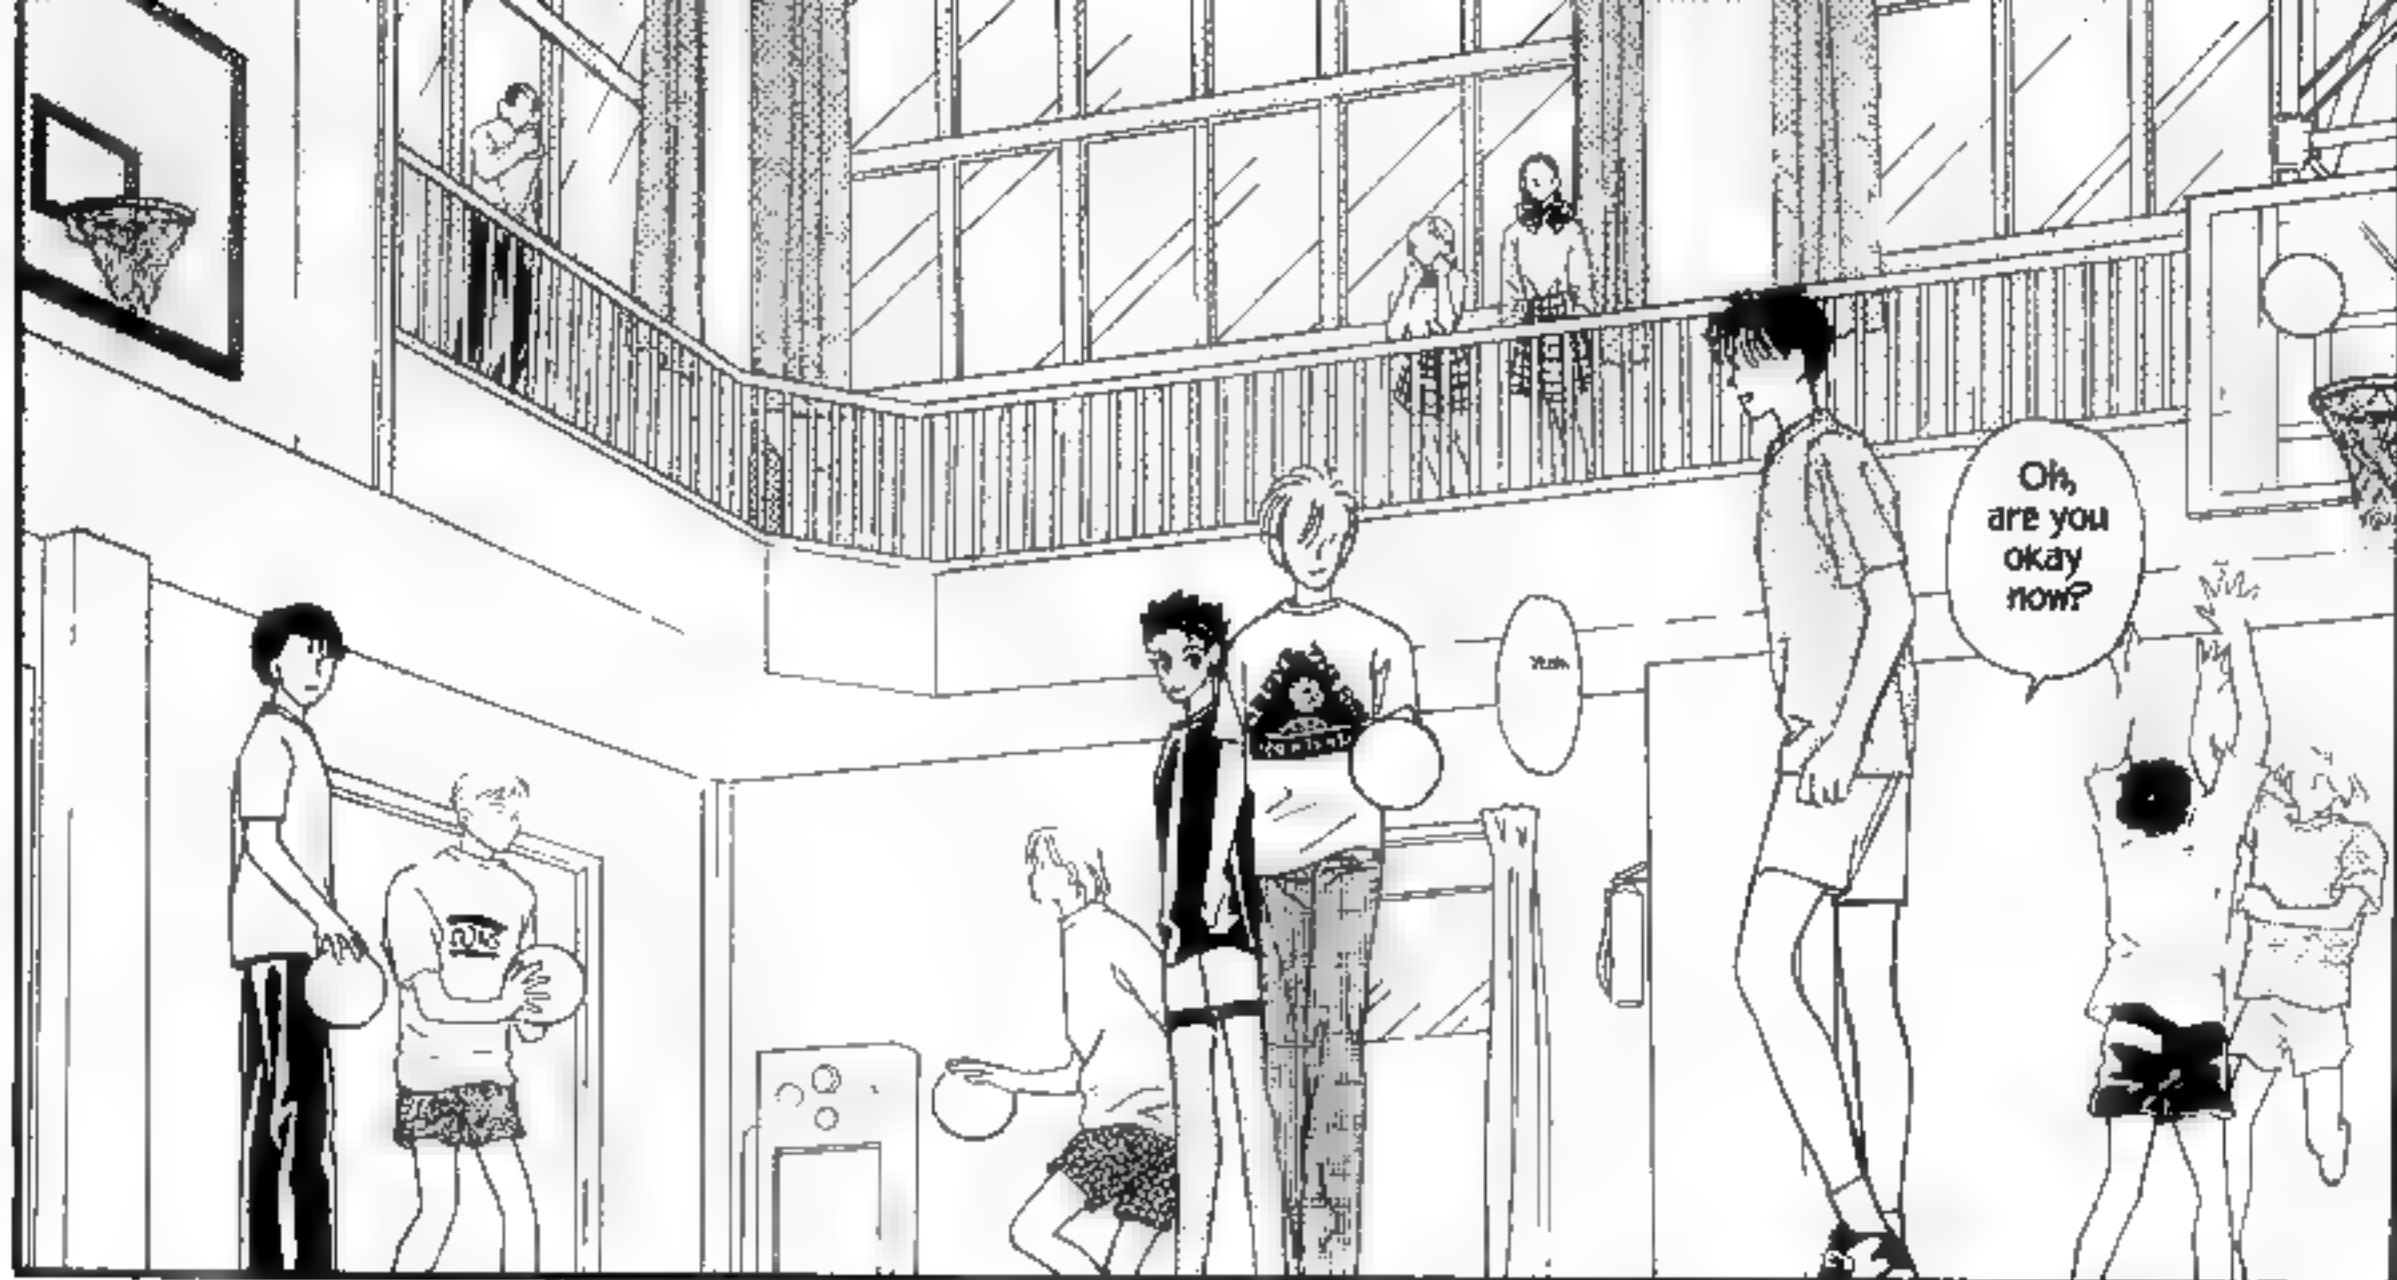

Junior and your other friends,

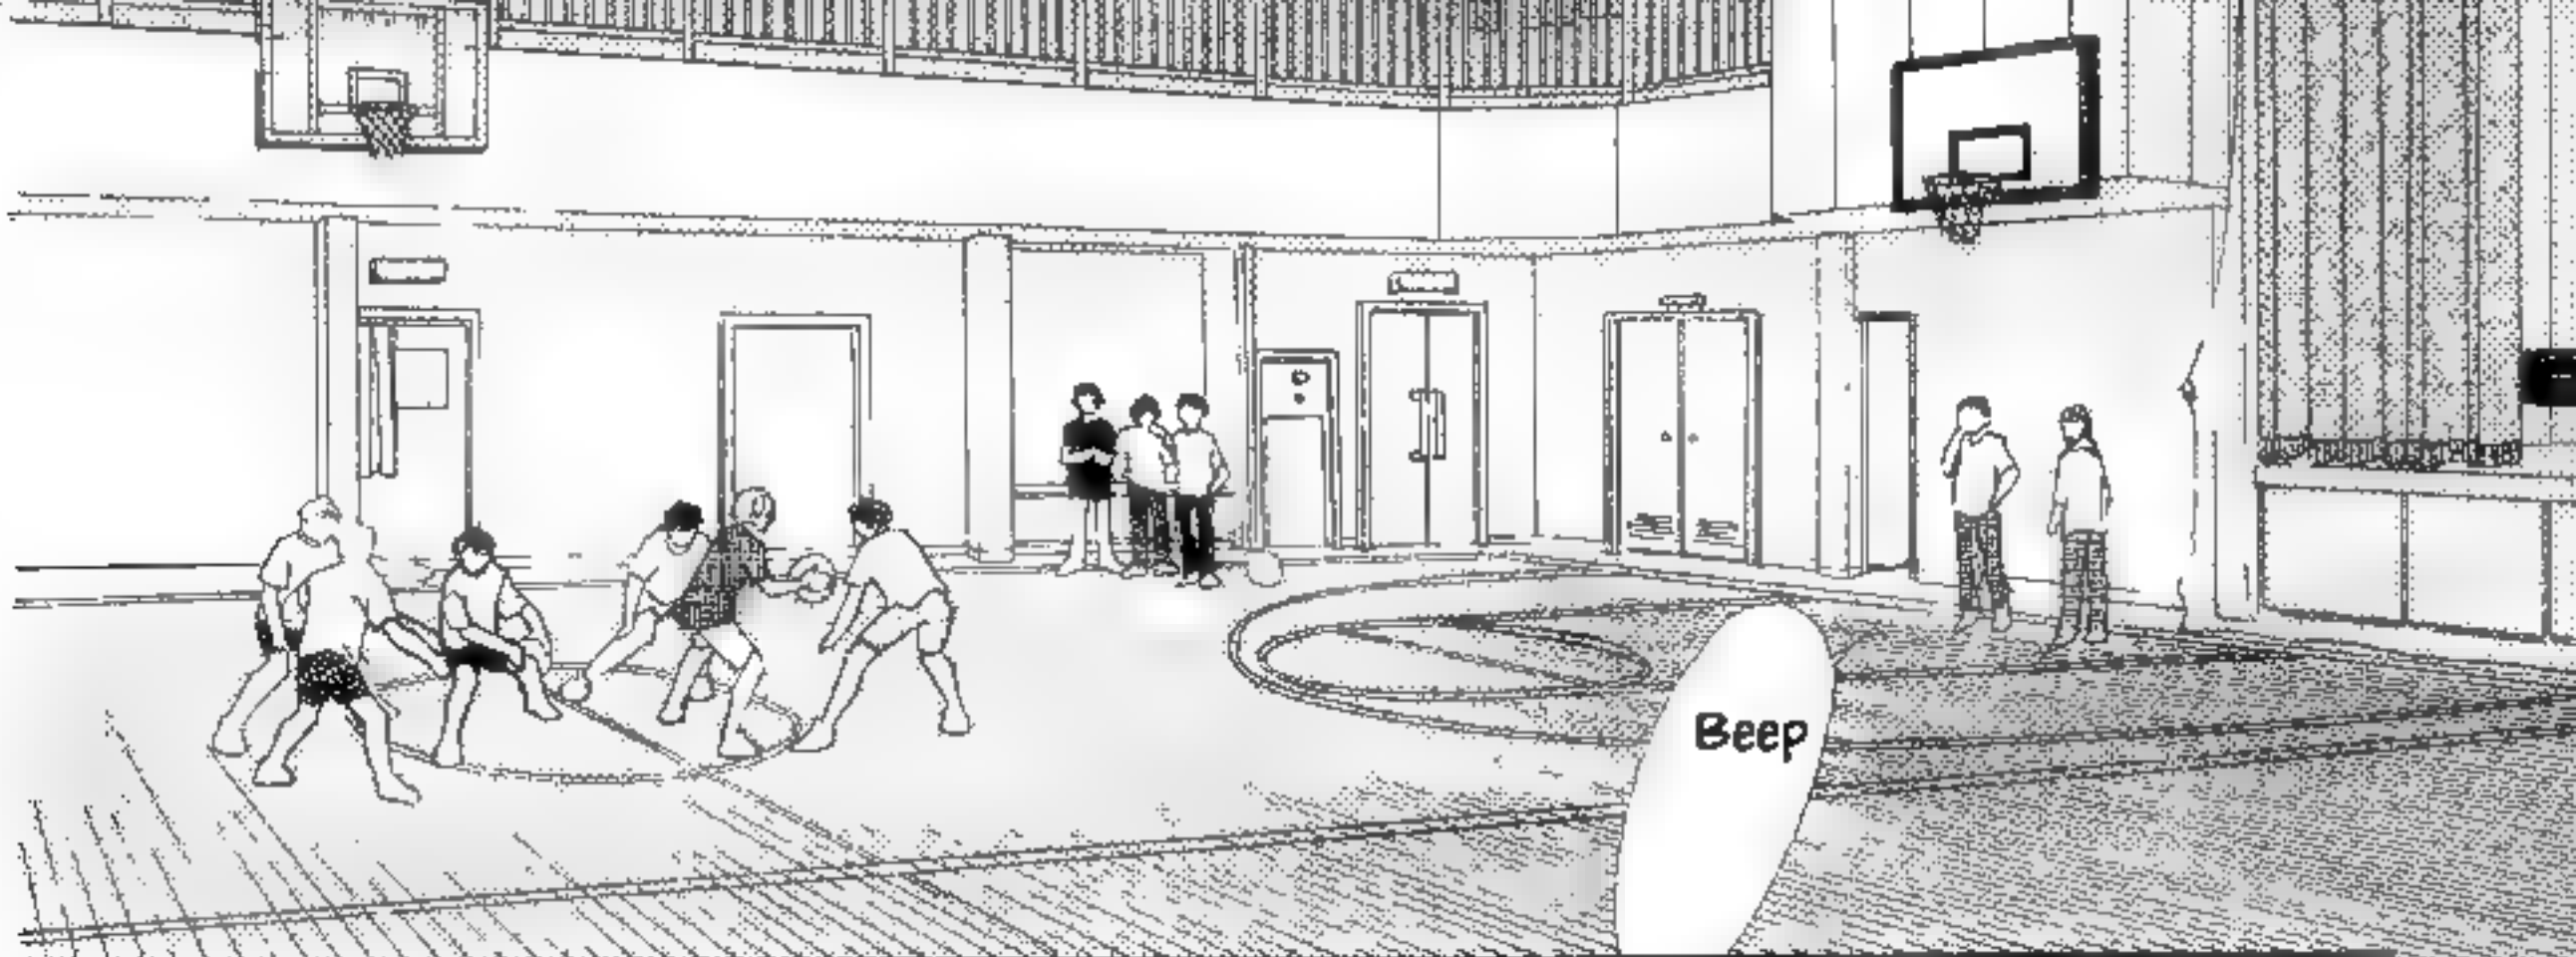

If it's something like that...  
That switch...

If I am  
free  
from,  
family  
and  
friends,

I will  
gladly  
turn it  
off  
then.

It is  
inter-  
esting.

Beep

Sfx:  
Bounce

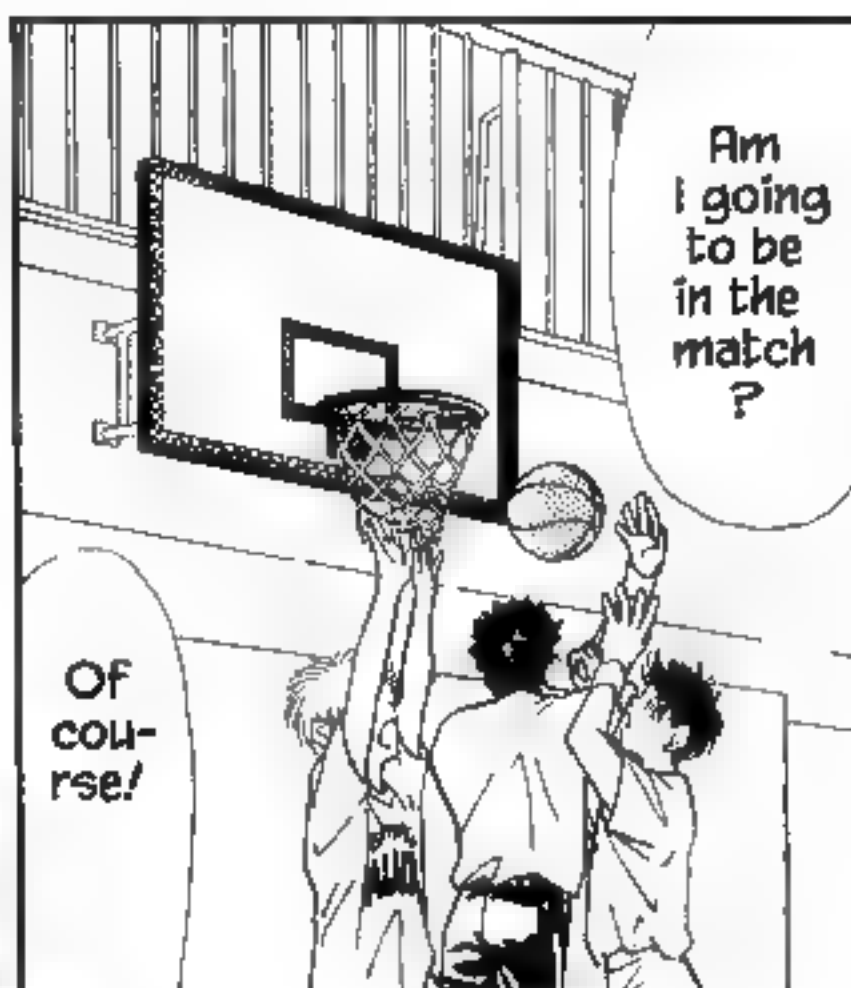

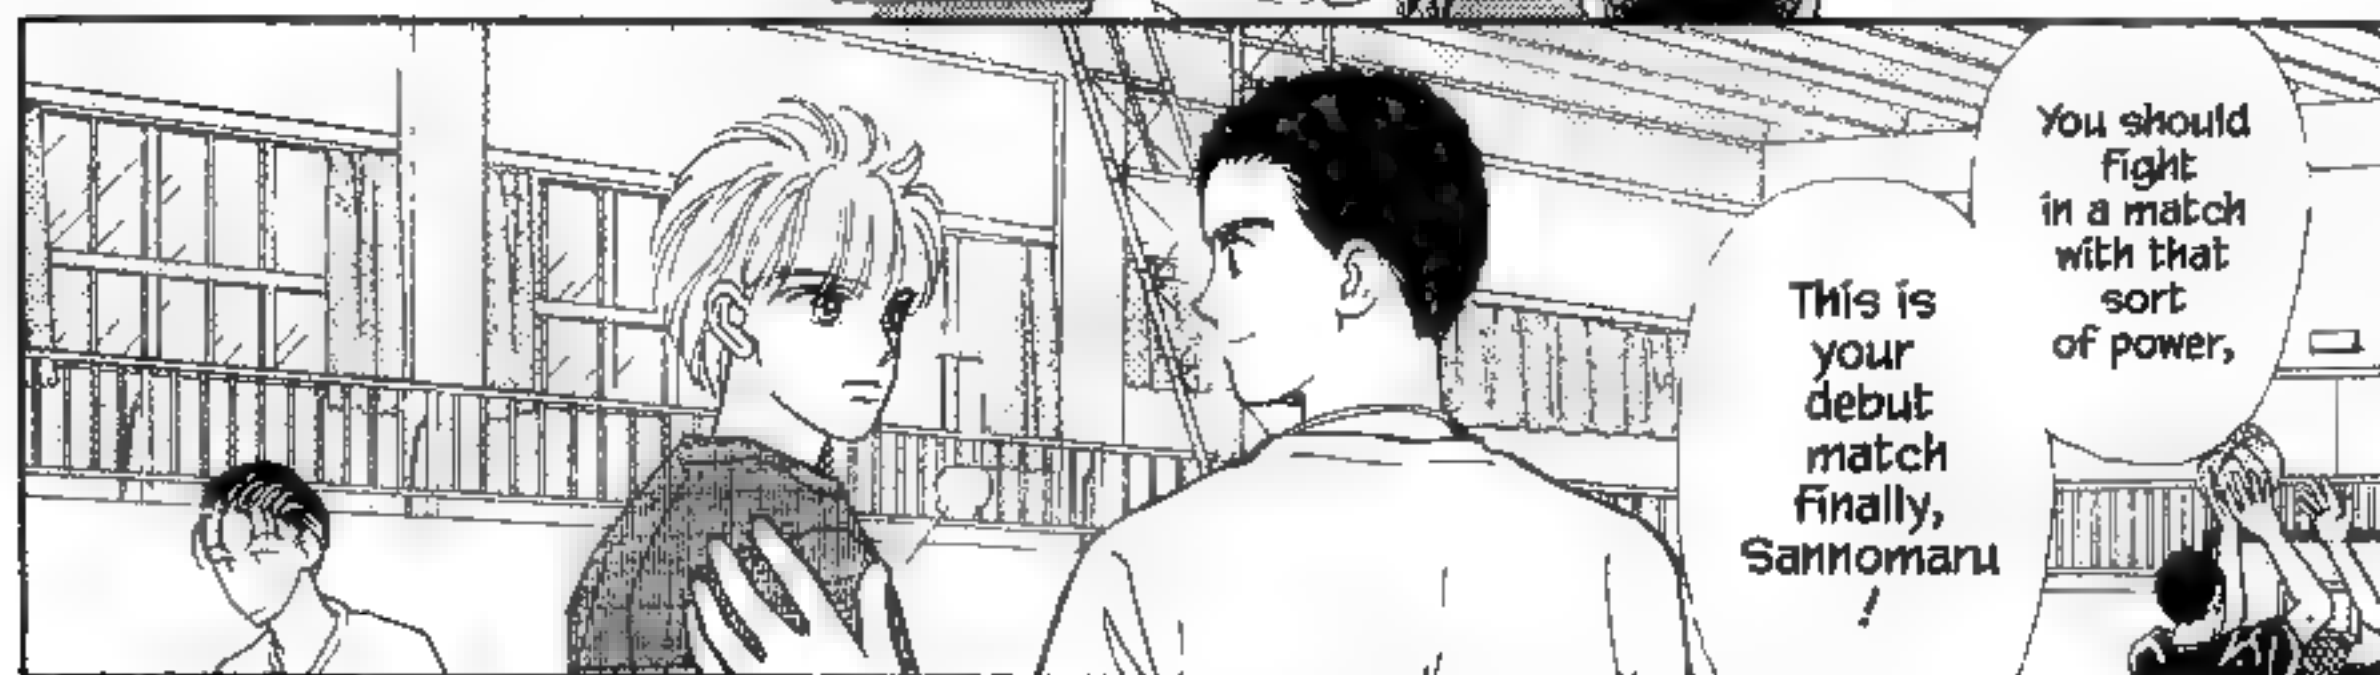

Ah-

Ah!?

Ah...

And Junior is new too.

It's not good when the people who trained hard until now aren't in the match.

It's not a practise match,

It's a little ...

There are three first years,

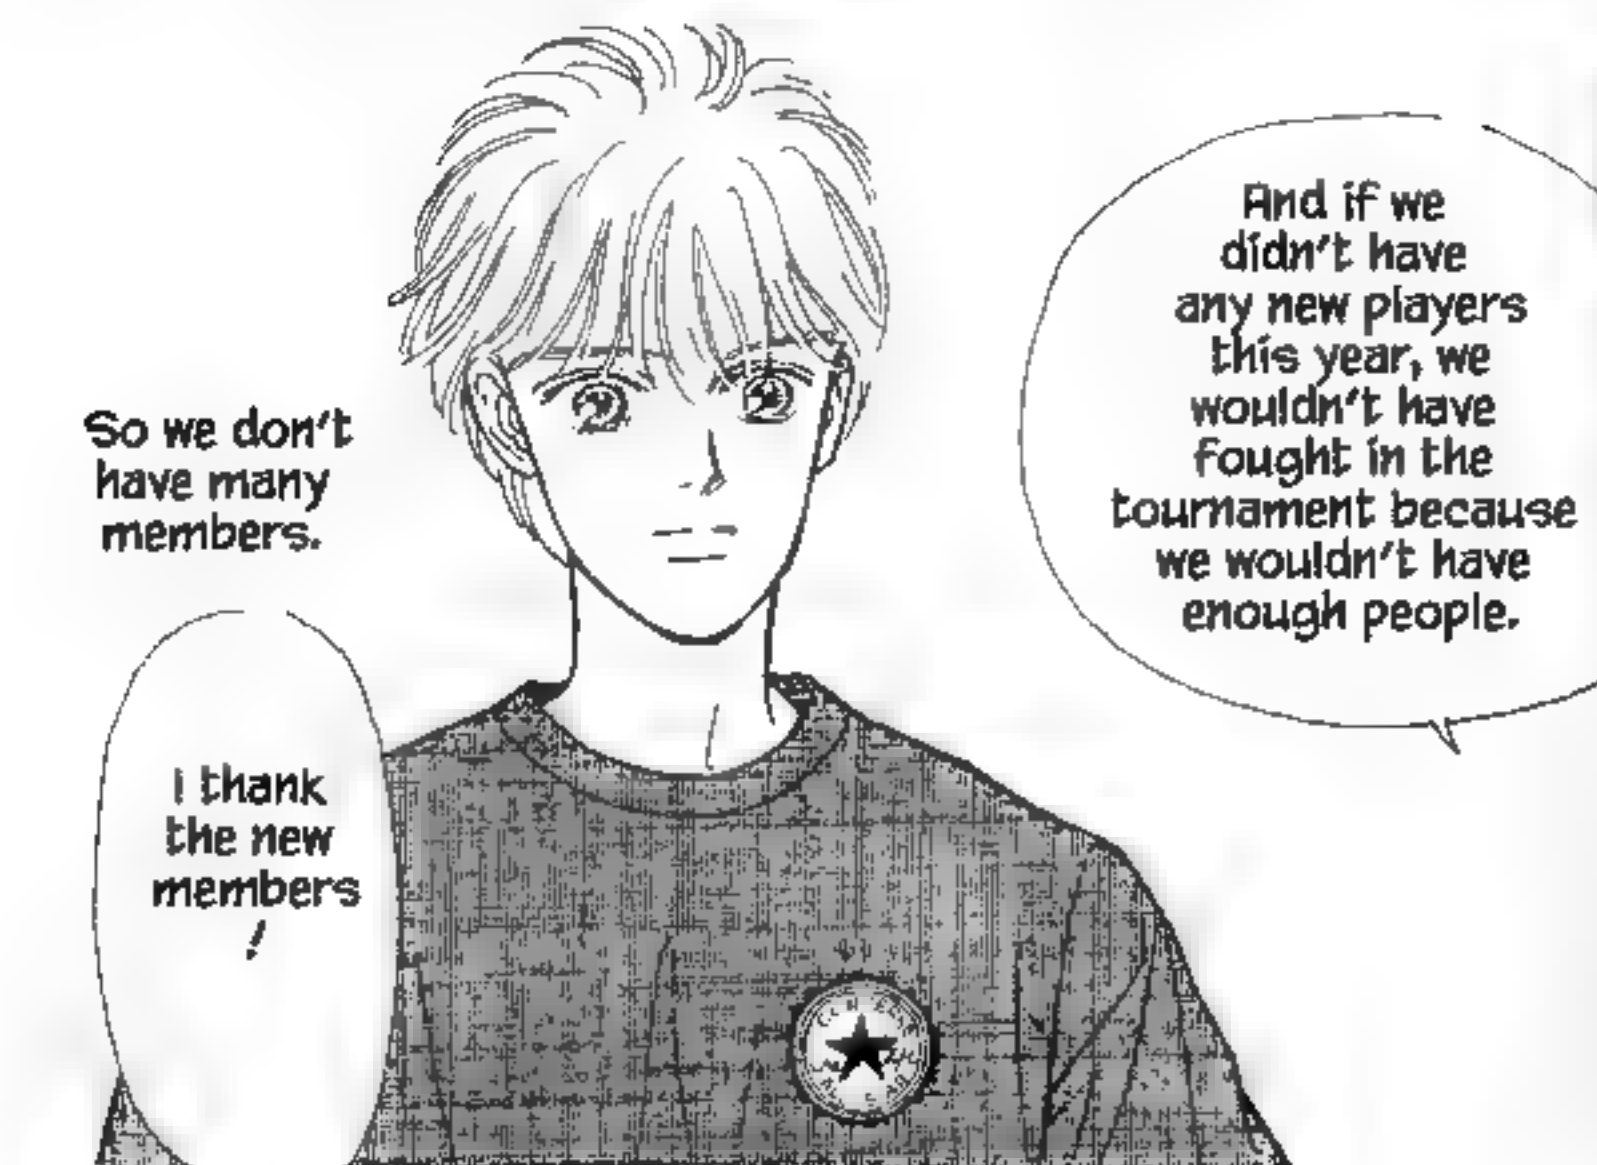

What are you worried about?

Hey!

Hm,

Honestly, I didn't train that much...

So we don't have many members.

I thank the new members!

And if we didn't have any new players this year, we wouldn't have fought in the tournament because we wouldn't have enough people.

I see ...

And we finally won at first match in the tournament!

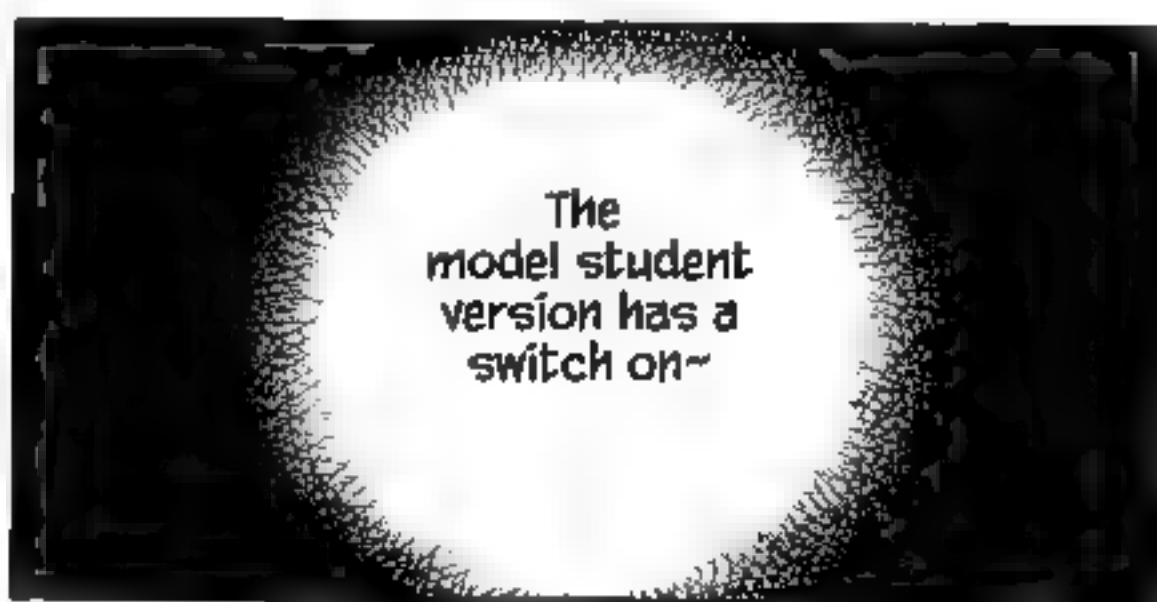

Ah, really ...

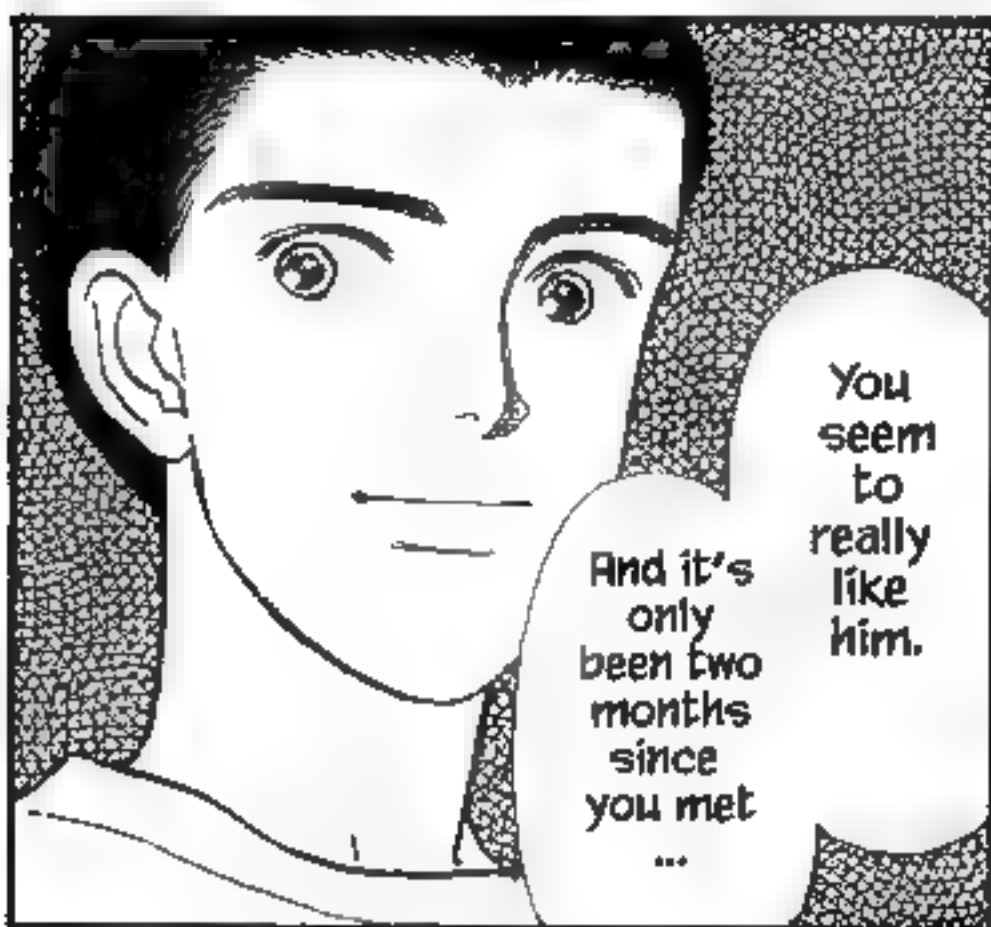

But you know the most about basketball.

The captain is Shimada the third year.

But,  
When a senior  
joins the game,  
the flow of the  
movement worsens.

Is that  
okay...

Chatter

Oh-!  
That is  
amazing!

Today  
people  
are  
cheering  
so much  
...

The  
gym  
is  
full.

That's  
because  
today,  
there's  
a strong  
school  
is against  
us.

And the  
fifth  
tourna-  
ment  
is right  
after  
this  
one...

No,

me to be

because he  
doesn't  
want me  
to disturb  
him...

Are  
you  
here,

I will try it if it's possible...

Hey,

I will forgive you because it's like this right now, so can you turn Sannomaru's switch off?

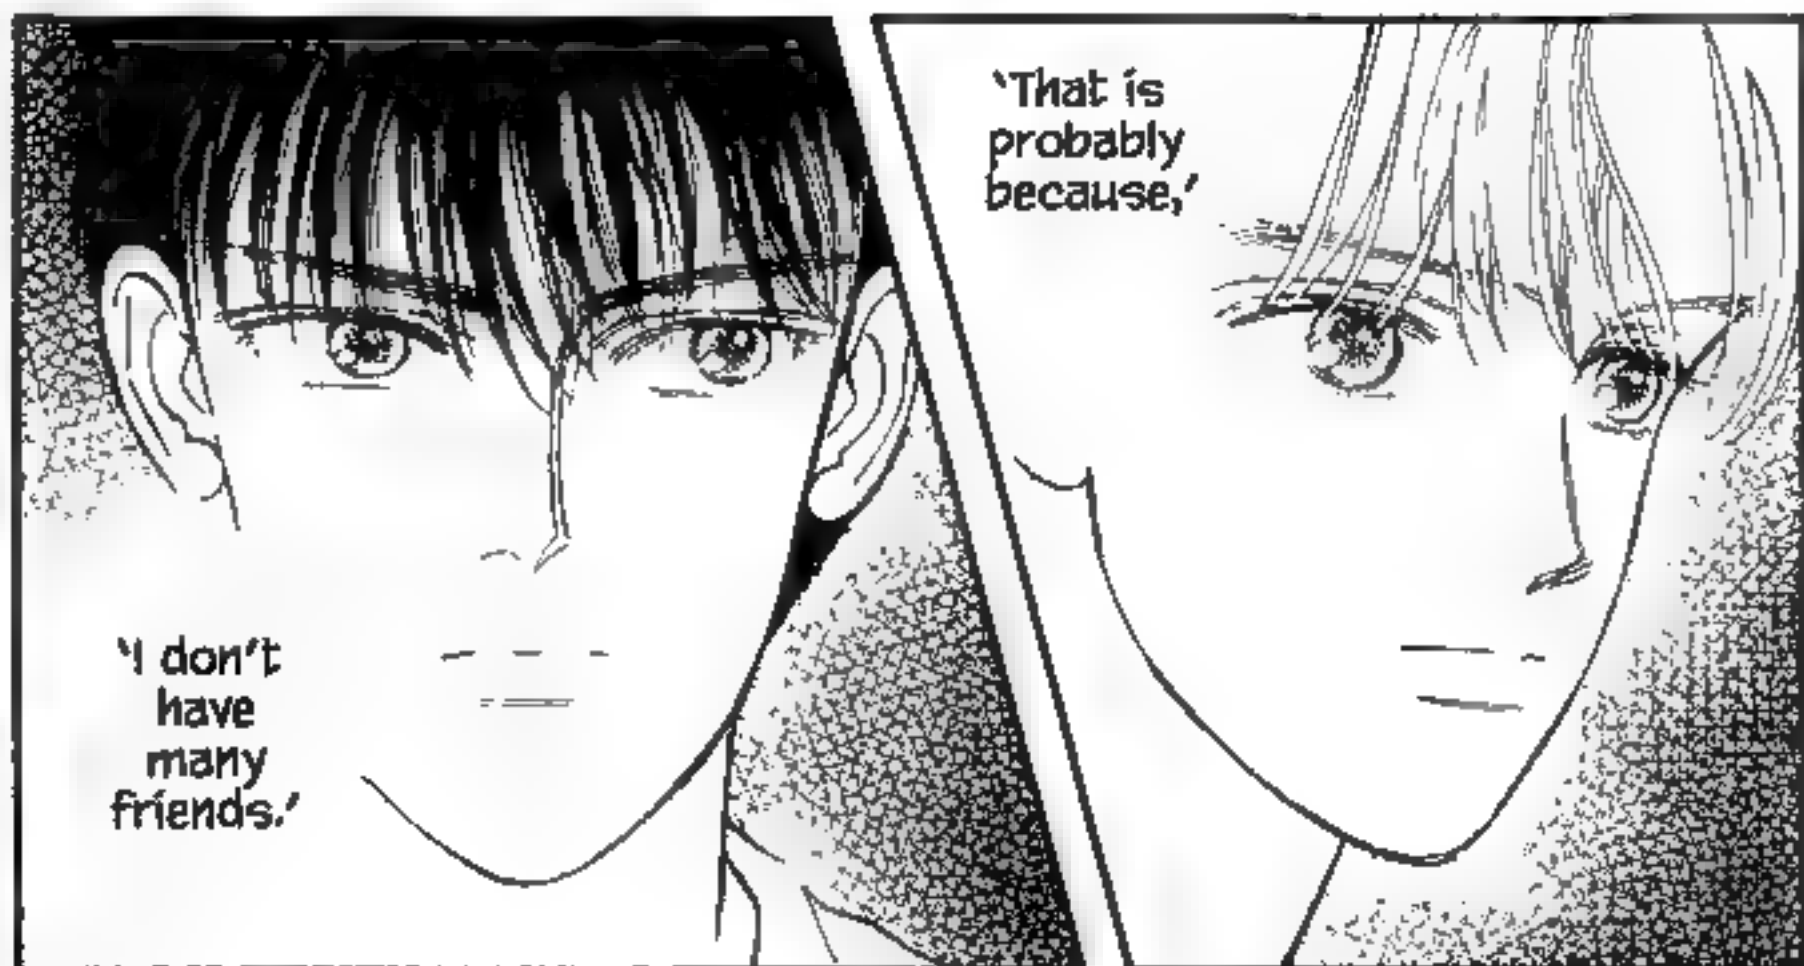

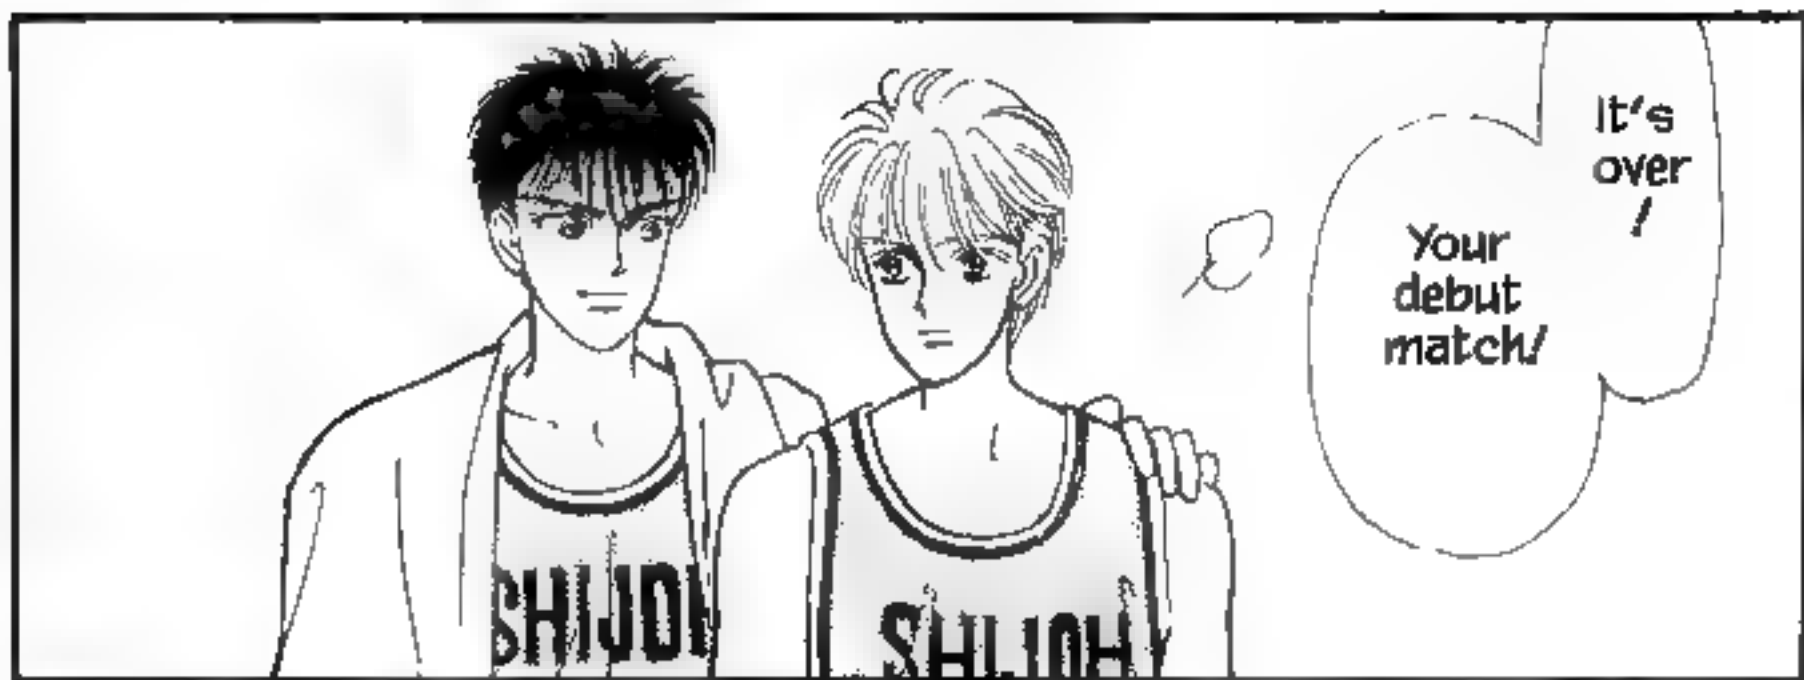

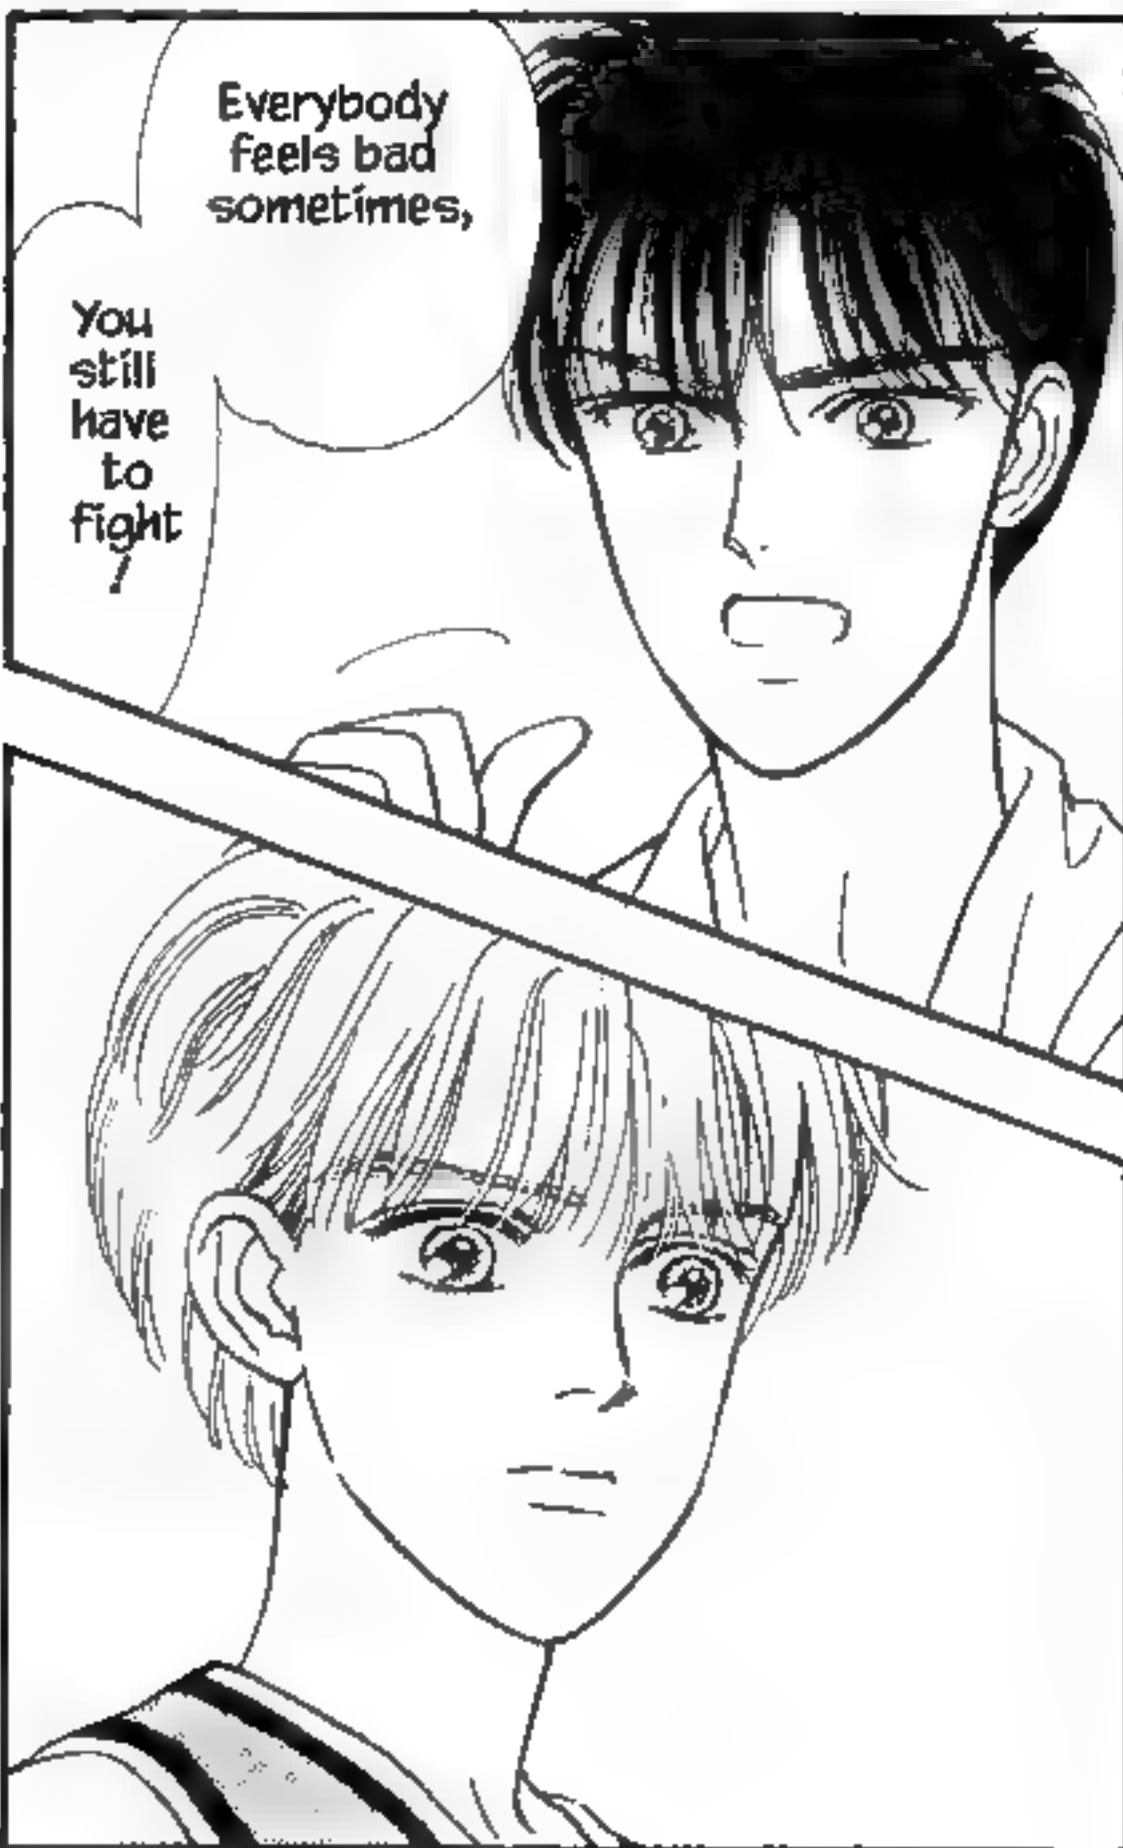

About Natural...

Sometimes, are you curious why I named this manga Natural? If you can guess something, please send me your letters! And when you read this manga there are many abstract words.

Maybe that is the charm of Natural... The readers who are a bit older must understand. Please shower me with more interest and love-

It  
is to  
have  
more  
fun!

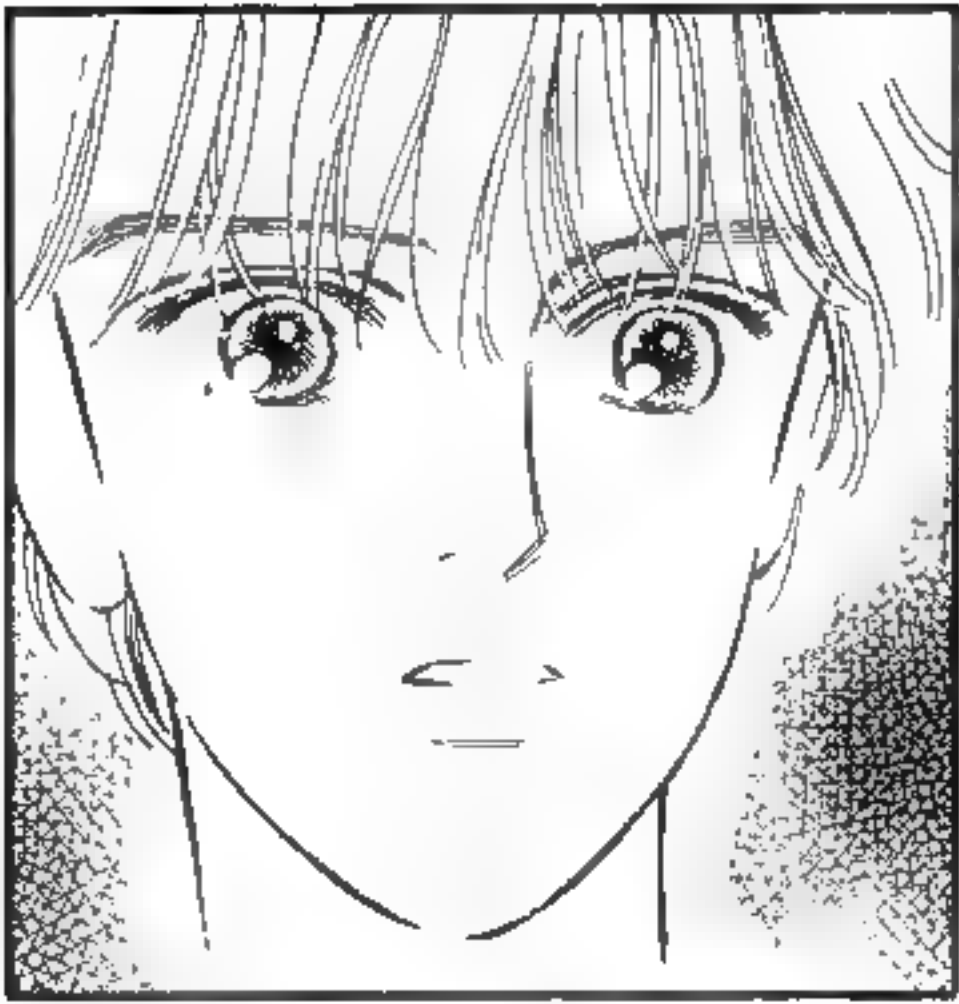

Honestly  
all of us  
are like  
that now

He could be...

Yes! His switch is off!!

Dou-moto!

What turned  
off the switch?!

Somehow,  
it seems too strange  
to be a coincidence...

Is he human too?

Or,

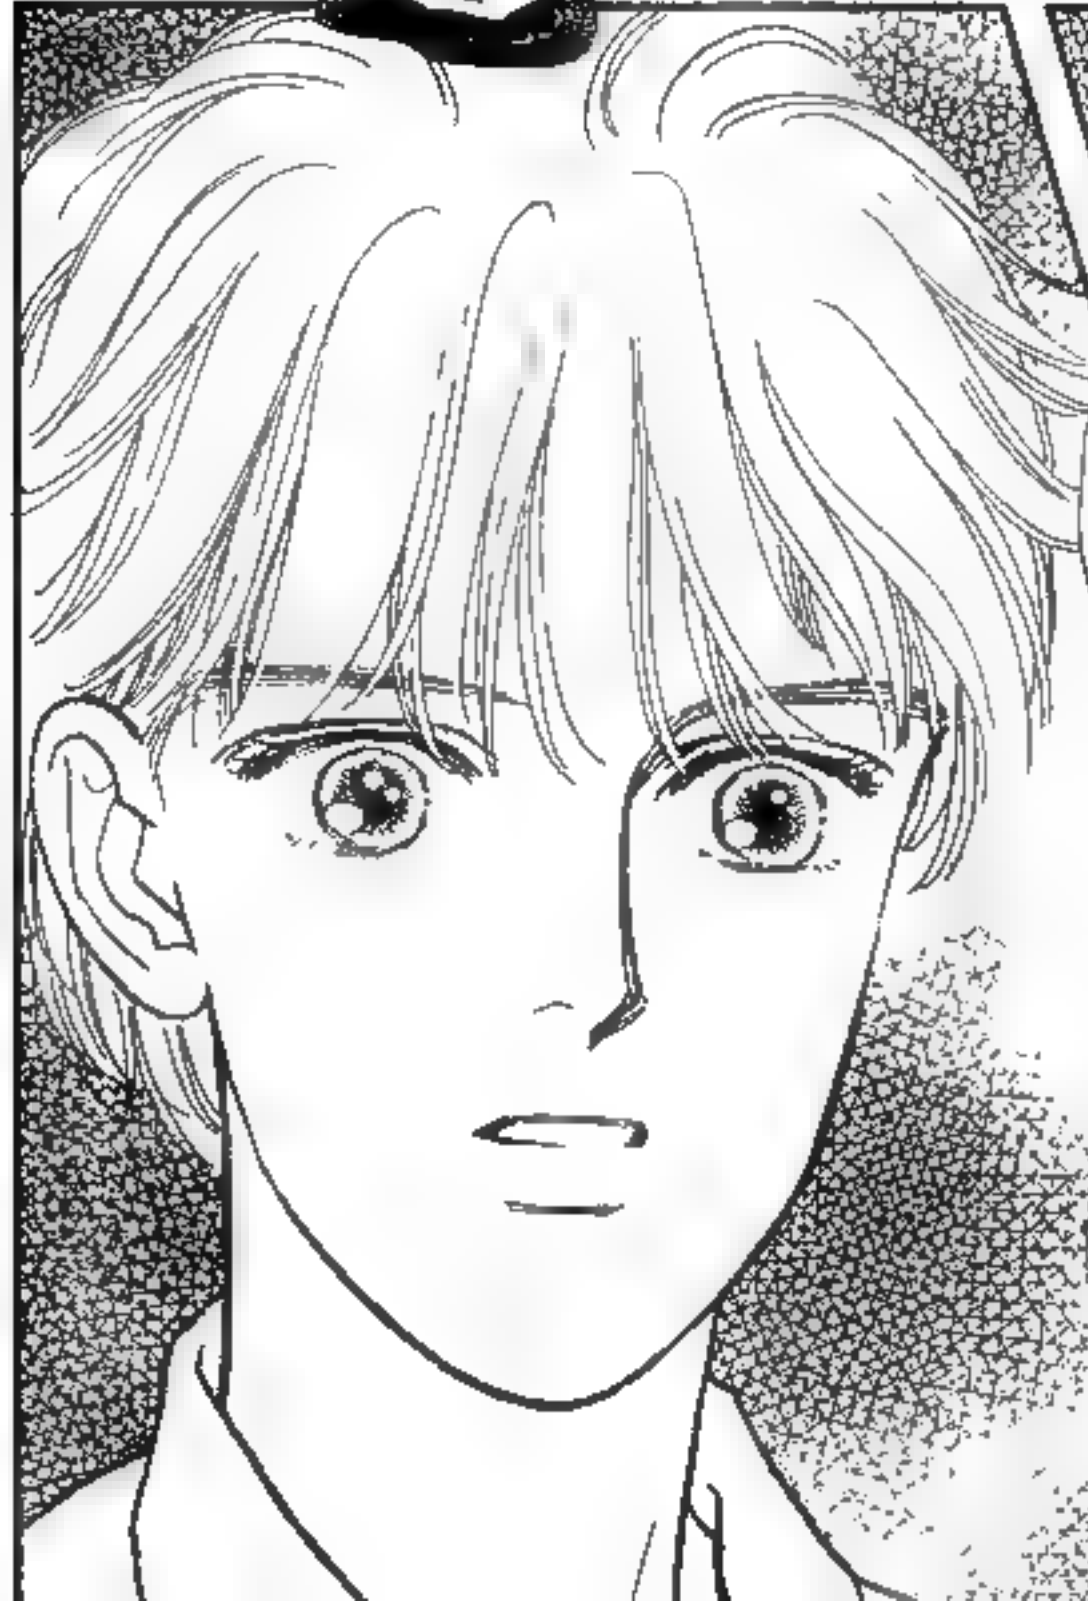

Ah,  
Michael  
!

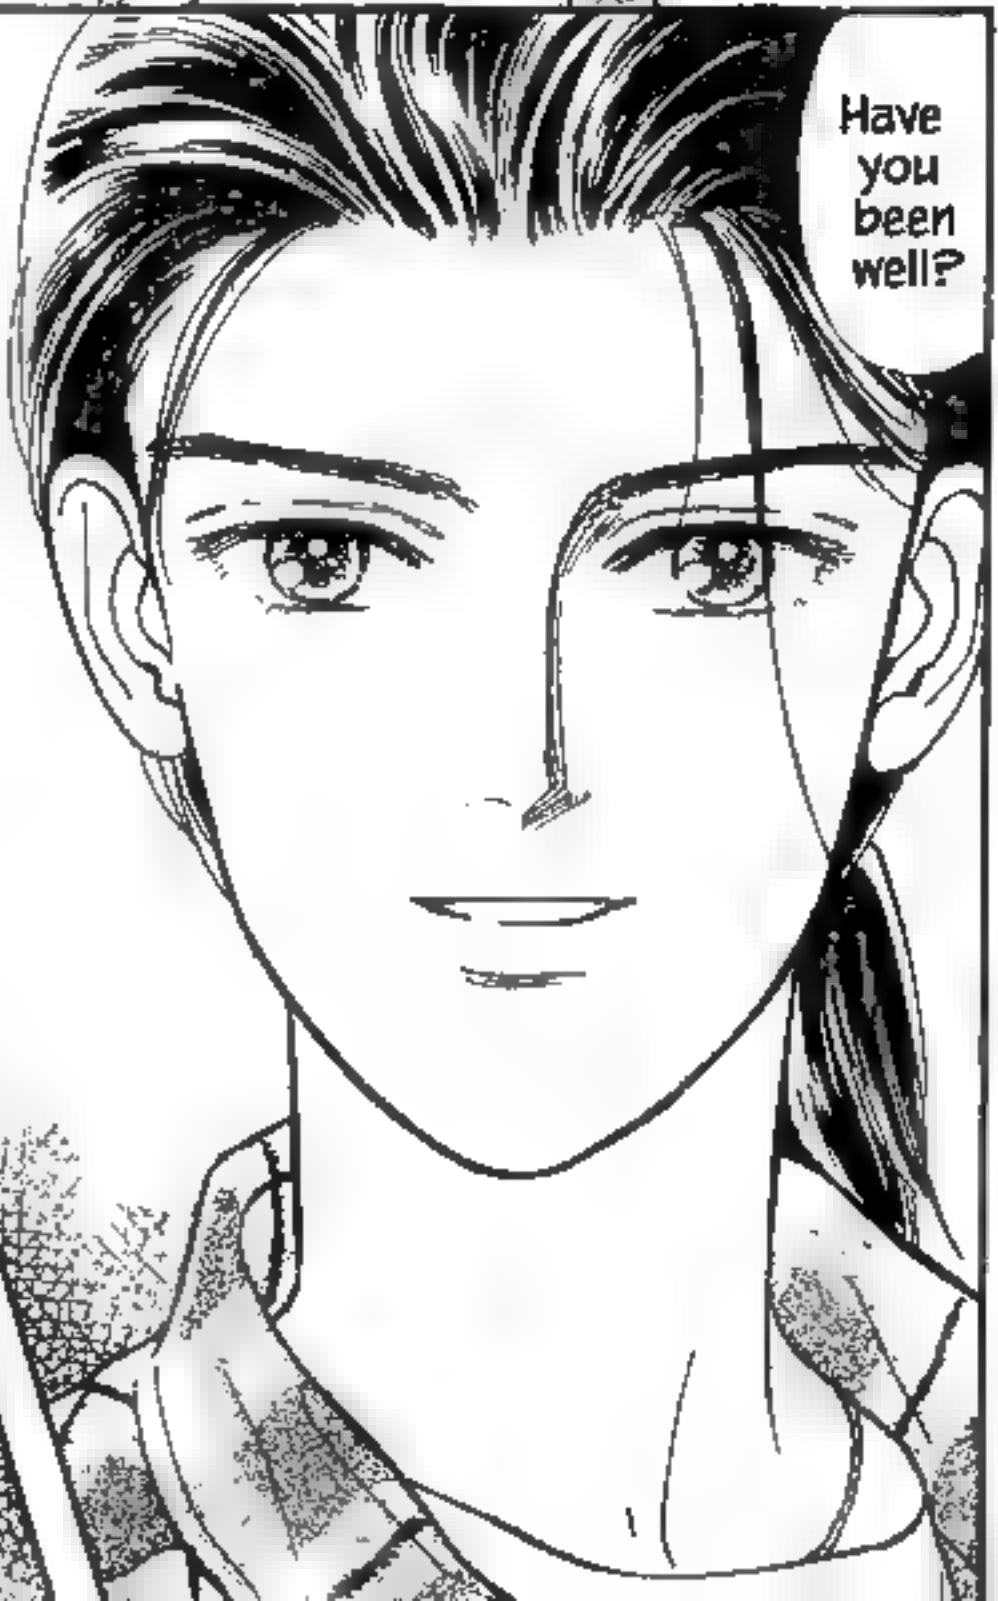

Then  
I will go  
visit  
Oosaka  
for a bit.

Let's

I think he will be at the teacher's house for the summer holiday.

He doesn't seem young...

How old is he?

He came here to practise for a short period of time.

He is a 2nd year at high school.

Next year, Simon won the high school tournament again and came to Tokyo.

For a moment,

I forgot the sound of the cicadas,

I spent two summers with him shooting for the same mark.

Did he get accepted? Does he go to university now?

He goes to the dojo three times every week.

Yeah, he lives alone.

Simon ...

He went to that high school before...

He is a very nice guy.

Michael you should meet him sometimes.

He came after a long time but Michael wasn't there so he was disappointed.

I am practicing at the school now...

Aah yes,

Bang

He is like a movie actor~

It would've been nice if I could introduce him to you.

Ah! I wanted to meet him too!

I think I should be  
tired of rain by now.  
What do you do  
when it rains?  
Pancakes along  
with a warm  
chestnut, sweet  
potato, manga...  
Do you think  
of things  
like this?  
You don't  
get depressed  
because of  
rain, right?

I think this is  
the time to  
leave for  
somewhere.  
Pack your  
bags now!  
And dash outside!

Anyway,  
okay. My  
taste  
changes

him

Does  
that

him

Why  
else

The next match is a double header too!

If you win the first match, that would be very good...

Kids,  
We didn't watch the video just to laugh.

We fought for five matches until now?

Wow~

And next week, we will fight against the seeded high school!

Yes!

We are not a seeded school though,  
So we must fight 10 matches to go to the national tournament.

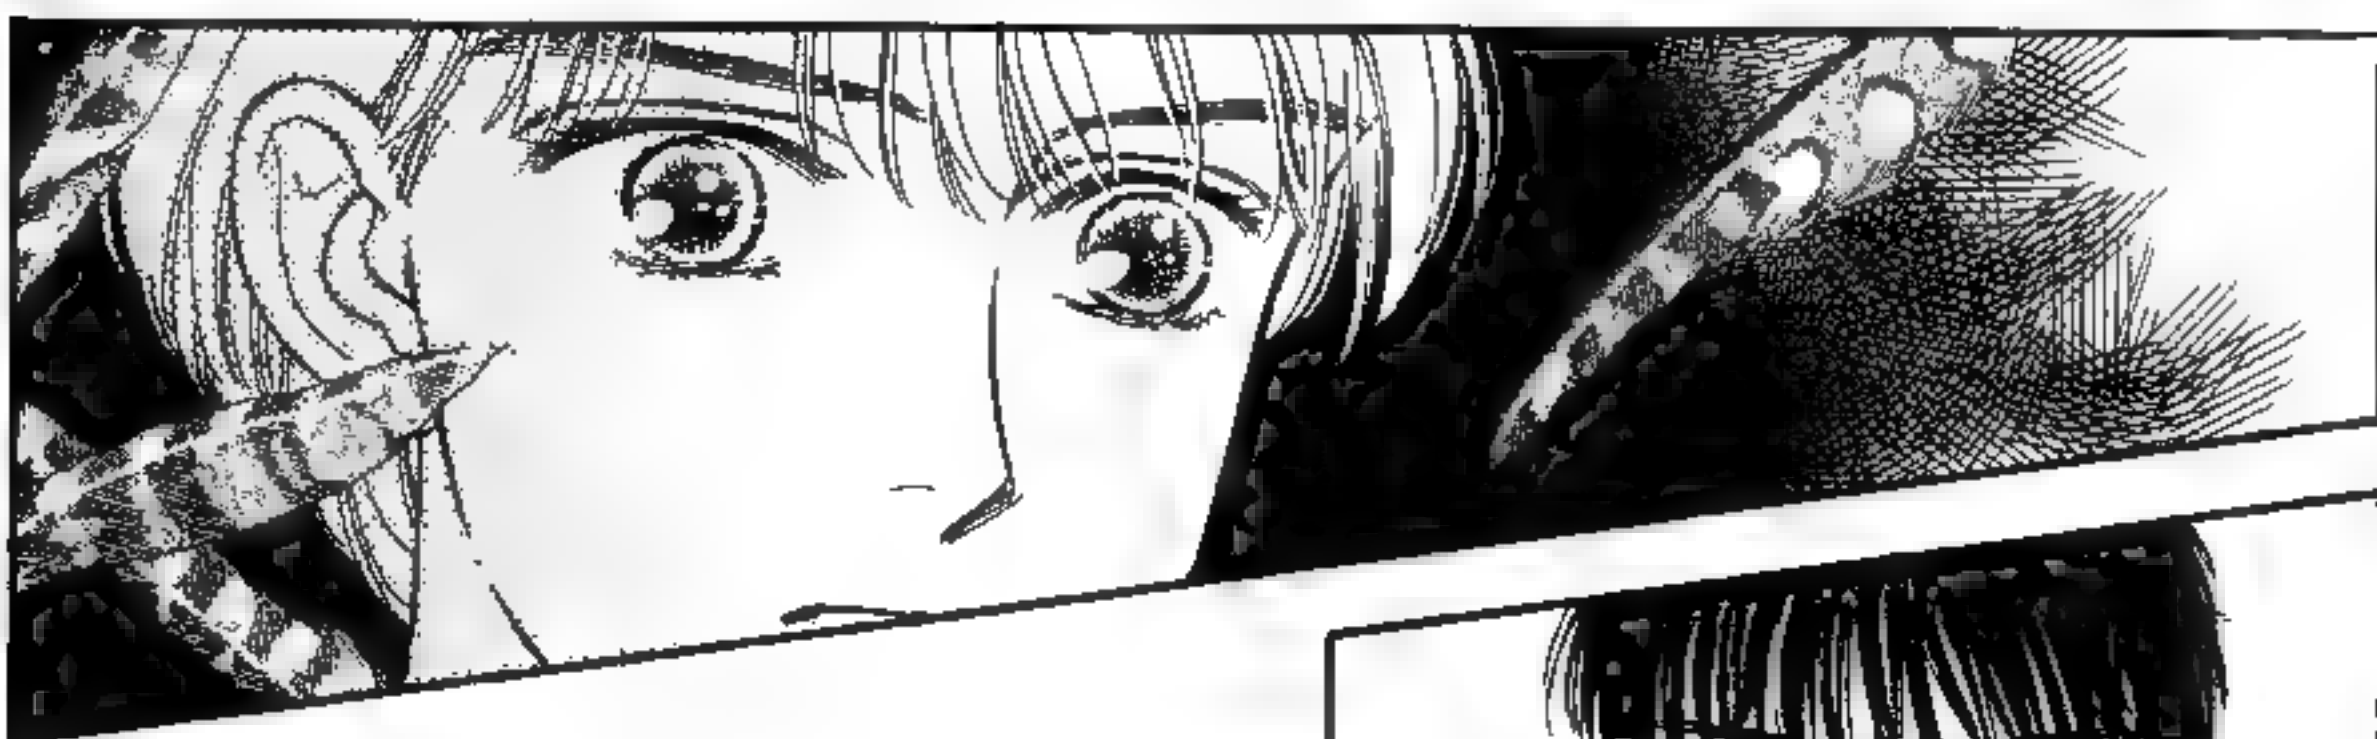

It is because 321 high schools are fighting in this area. That is amazing!

We shouldn't think about it so simply.

So the problem is next week?

We might not win though.

If we win the basketball match, we could have the match on that day too.

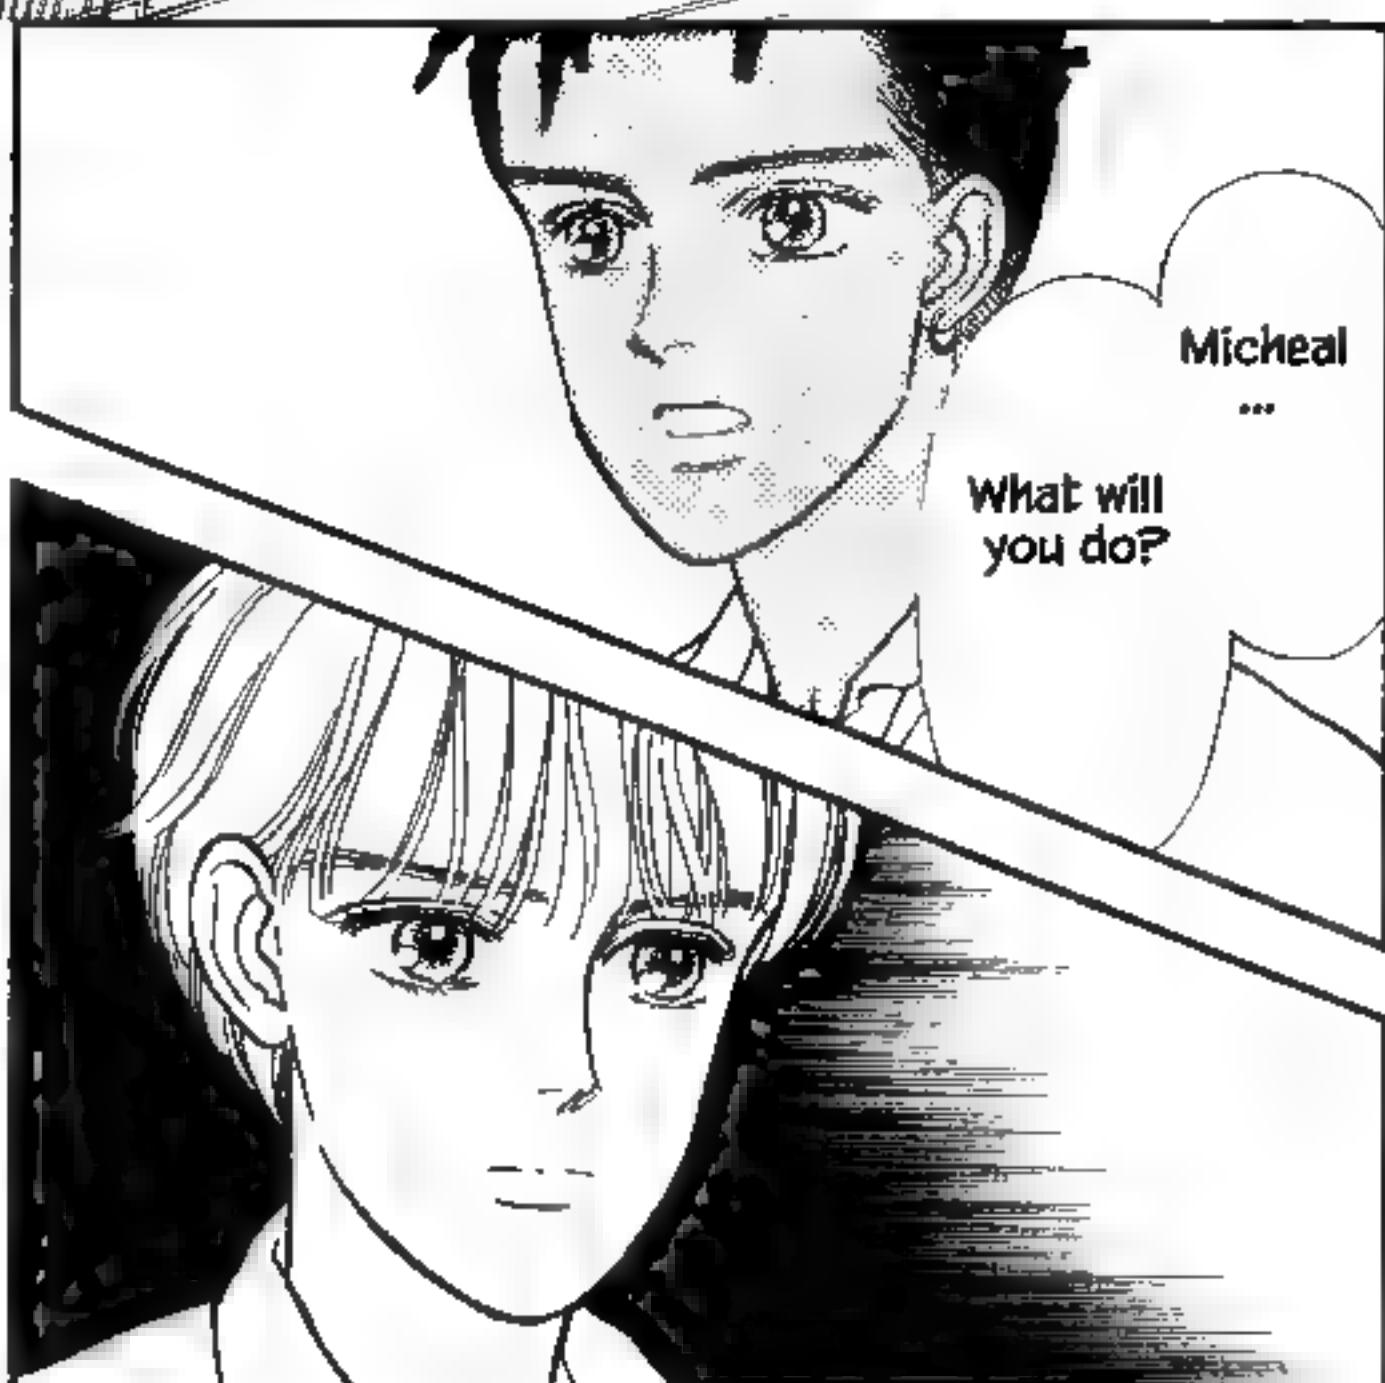

What about the team tournament?

It is on the next Sunday after it.

The individual match and team match are all registered.

I think they did it while I was locked up.

Micheal

What will you do?

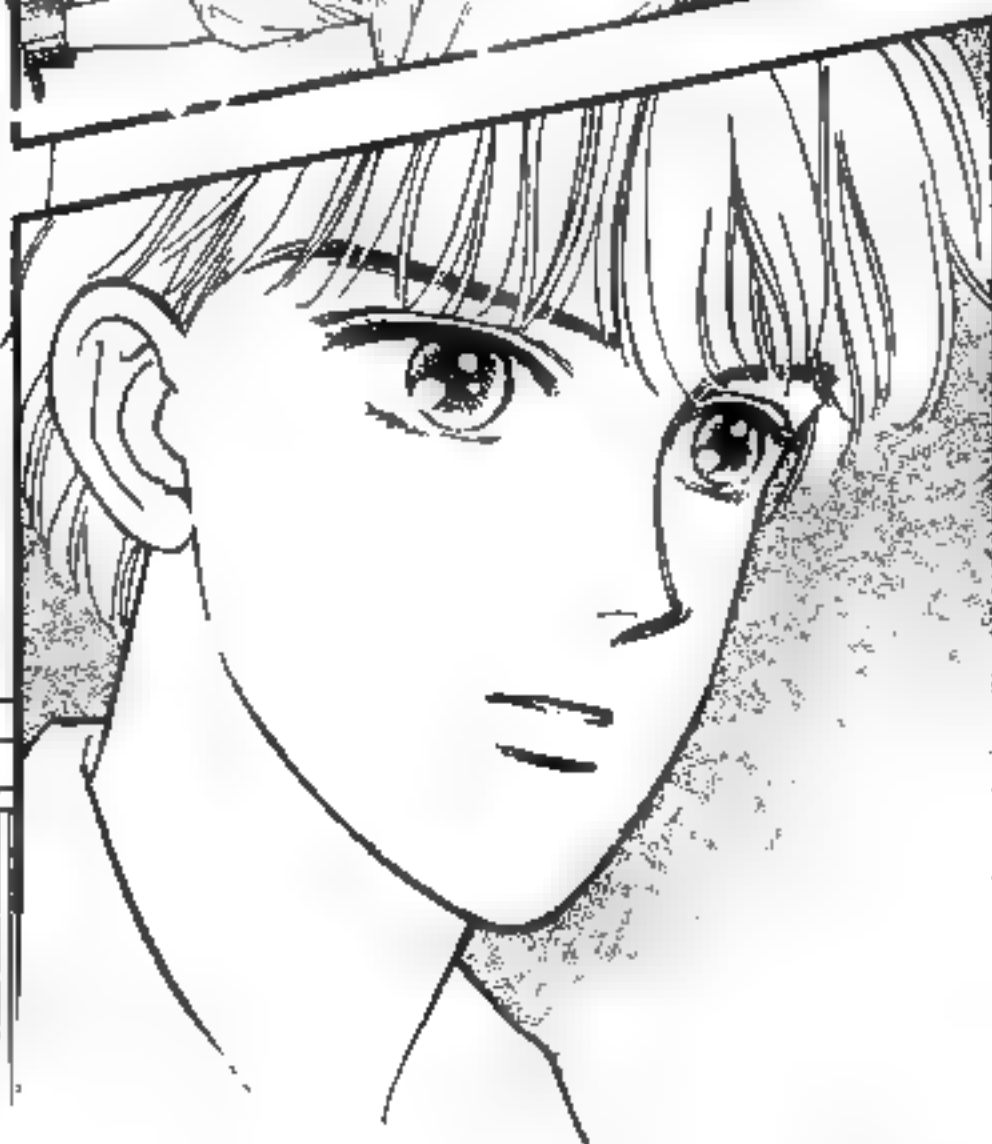

But honestly ...

If it was not registered, I won't think about it.

I want ... to do it...

Archery... especially the individual match...

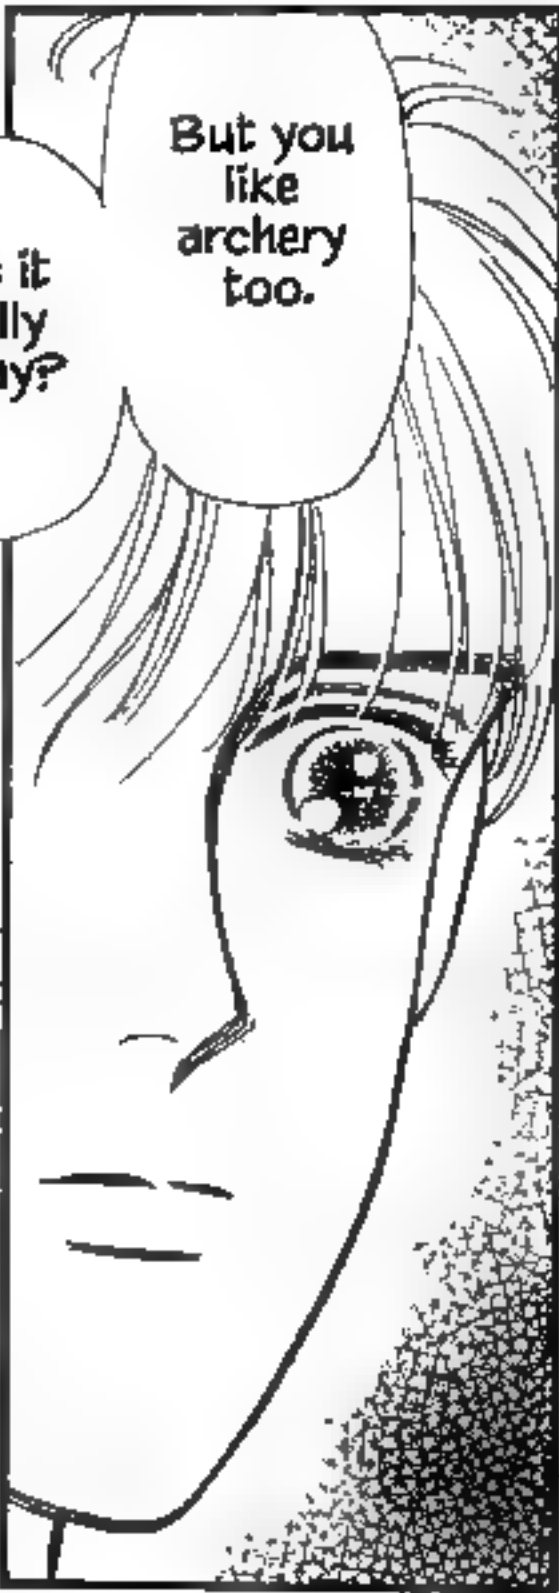

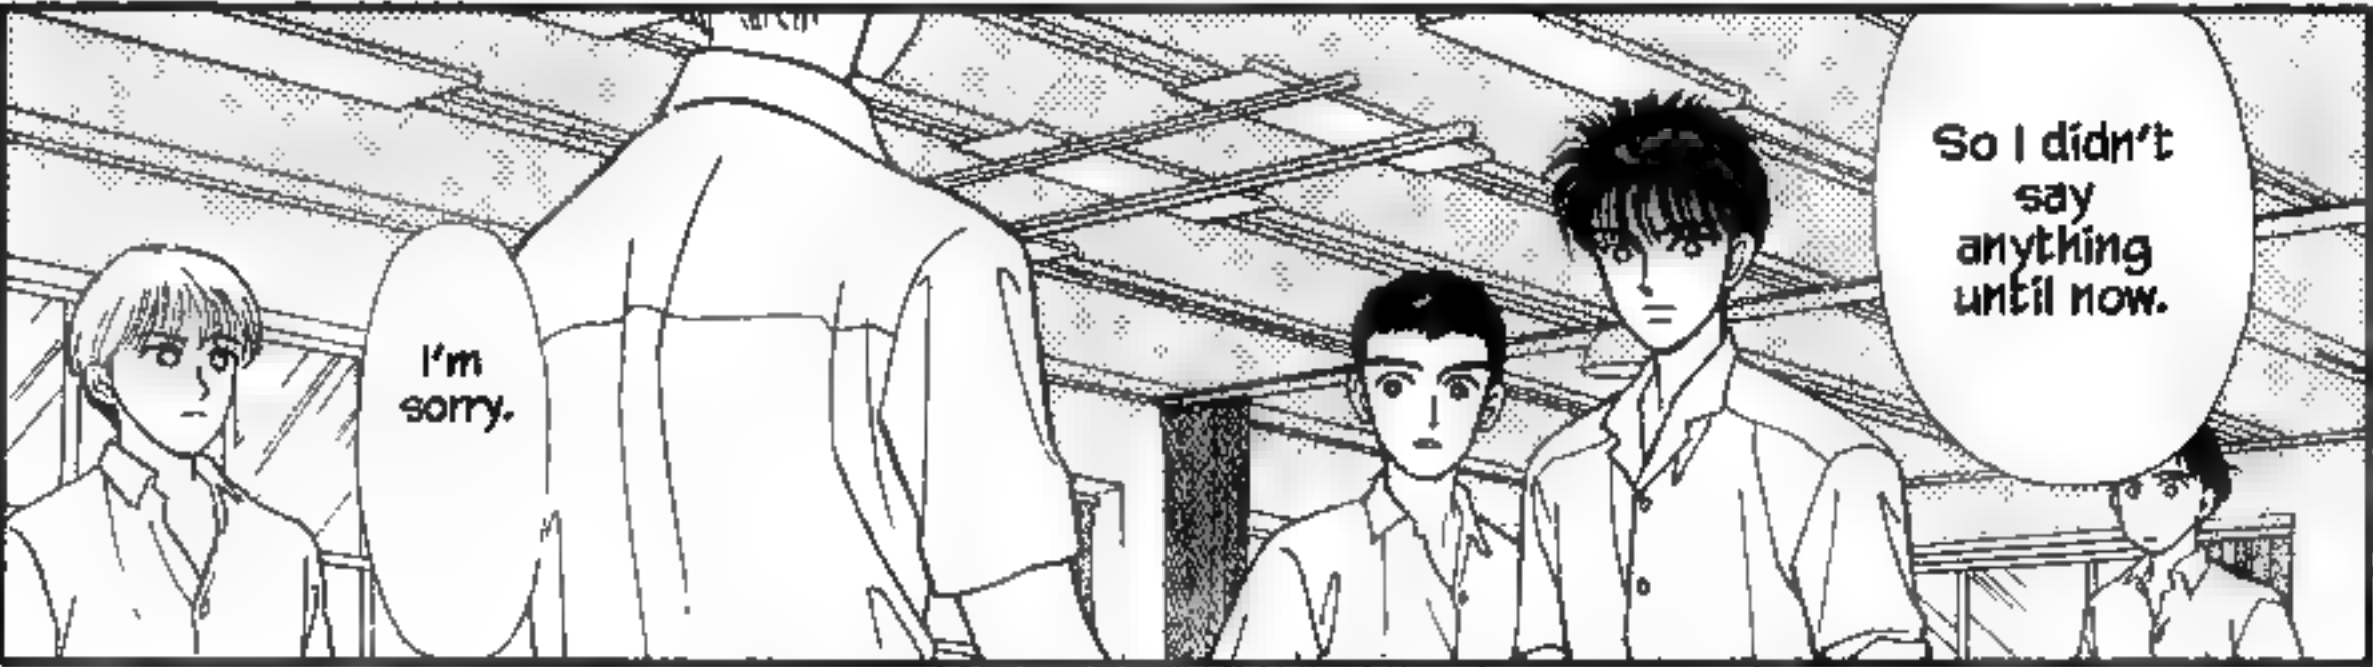

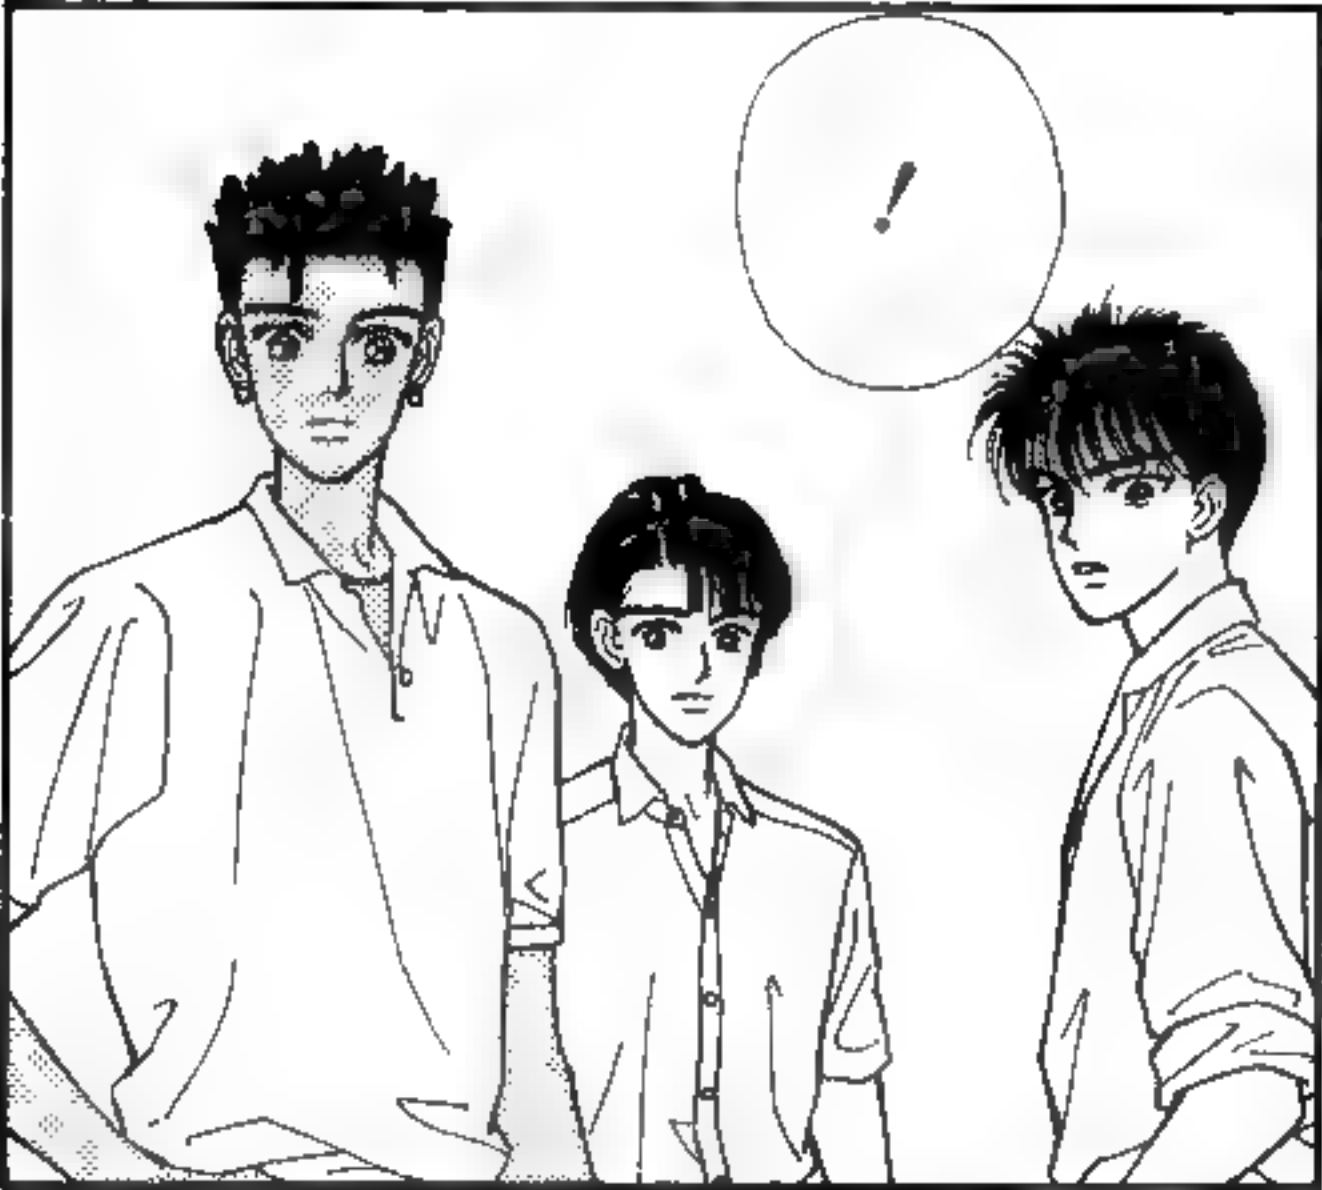

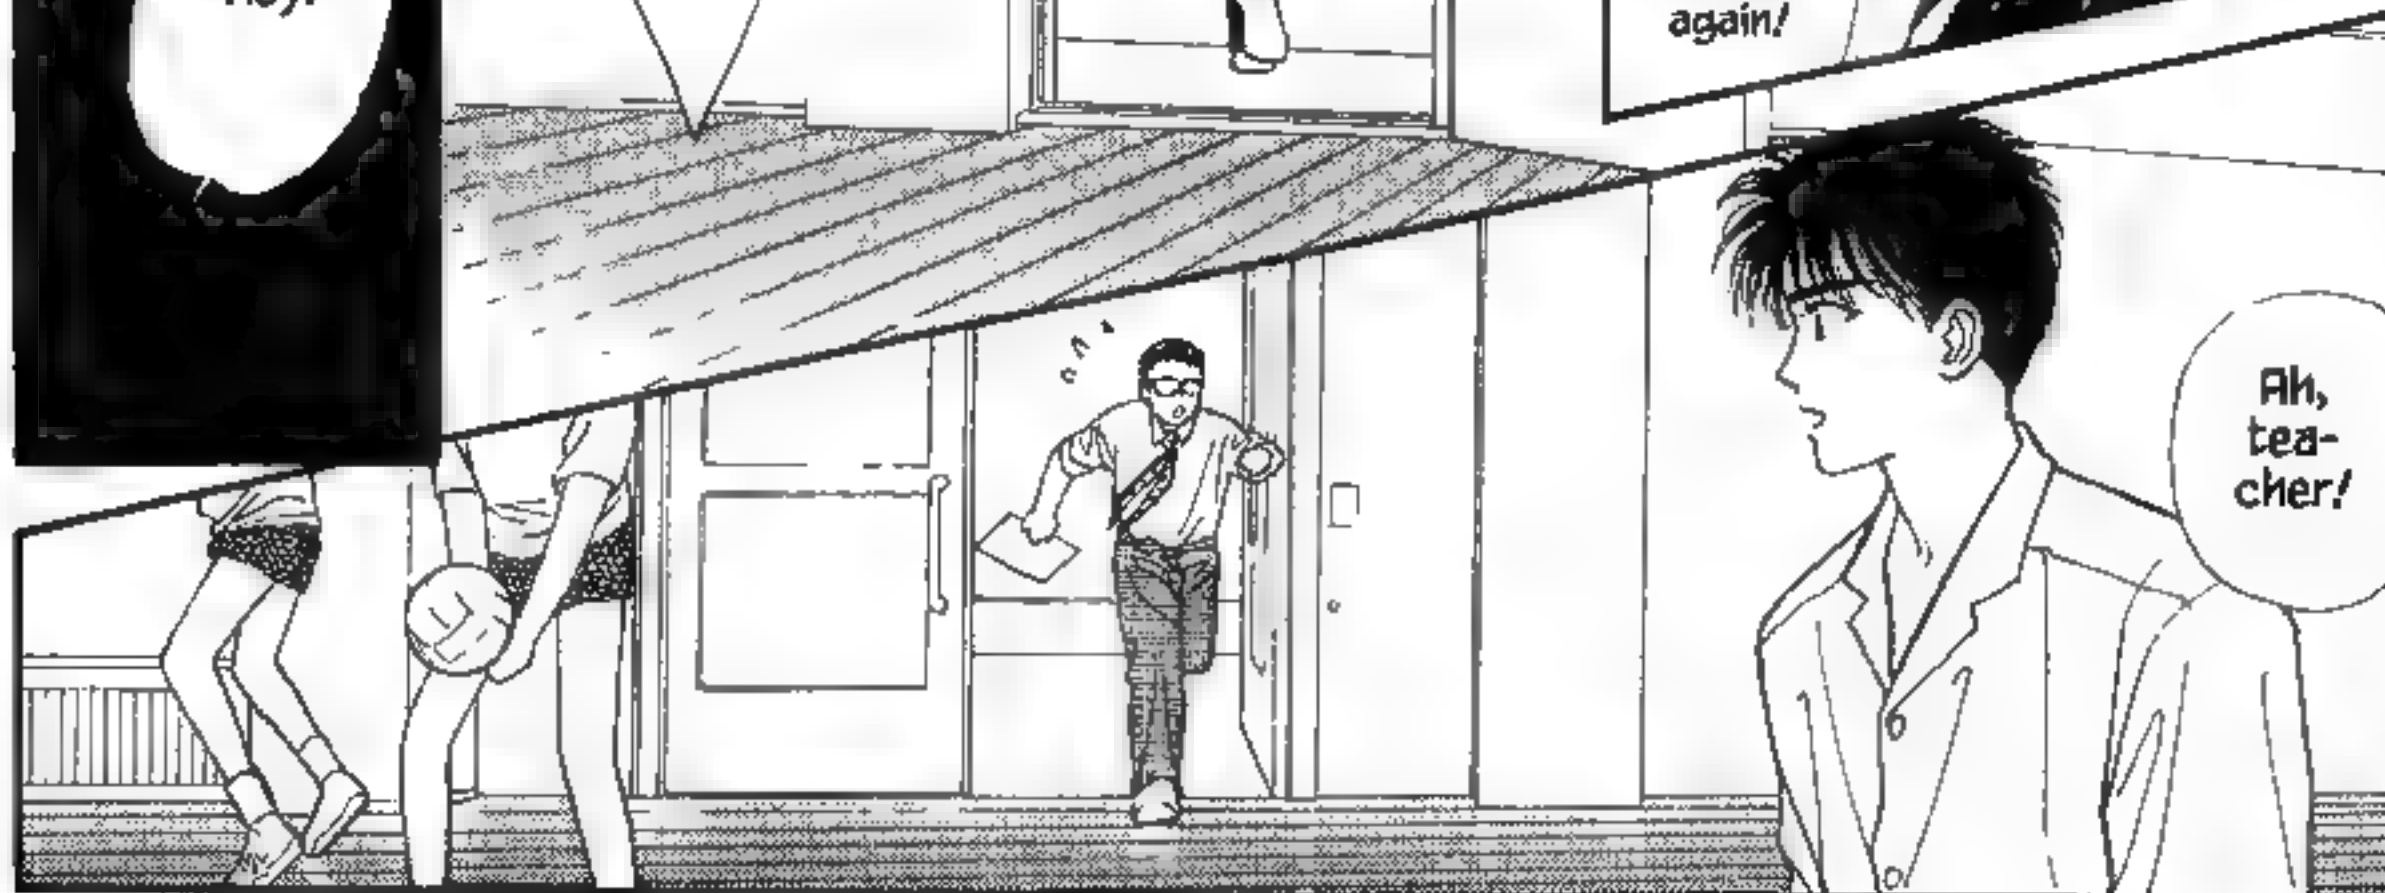

Yes,

Ah, Sannomaru!

Yes ...

I think the individual match will be difficult.

What happened?

Mm, the individual match could happen at the same time as the basketball match.

If it's a team match, there is a possibility that it won't happen at the same time.

We are talking about the exact hour of the tournament.

There is no practise today, because it's the day after the match. ↓

I surely think so too but...

He... he was very touched.

He is an inspiration for my life!

He is honest.

Hi...

About Doumoto-

The character who lifts up the mood of the manga the most is Doumoto. He could be a counsellor for Michael, he always acts as Michael's representative. Of course he is funny too...

But he is around boys, so some people look at him in the wrong way. But Doumoto just smiles whenever that happens.

When I heard that Simon is someone who Michael admires, I laughed. Michael would have cried and denied it. I was going to draw Simon as a more serious character...

But when he meets Michael, he becomes scary like a drunken man. As for a character's psychology or their theme, the most important things about them were decided just these last two or three months ago.

Some people draw characters without making a list, but it is impossible for me. And so, I will create even more perfect stories!
